Santa Barbara, hail to thee,
Strong thy ties shall ever be,
Son and daughter praise thy name,
Honor thee and spread thy fame.
Learning and fellowship always thou art,
Deep graven these on every heart,
Strong thy ties shall ever be,
Santa Barbara, hail to thee.

Leadership

Every man has the potential for being a leader, but few apply that potential.

ASB President Sparks Dynamic 1965-66

Upholding the responsibilities of leadership this year as Student Body president was Bob Rockwell.

Bob's goal as ASB president was to strengthen communication between the Student Body and the student leaders. One of the ways in which he accomplished his goal was by writing a bi-weekly column in the FORGE, expressing his views and requesting others' opinions on school issues.

During his spare time Bob likes to play his guitar, skin-dive and read. He also likes to train his dog, Baron, and participate in Youth Theater Productions.

As for future plans, Bob wants to attend college and pursue the field of American literature. His main goal in life is to "lead a full life with enough time to relax."

The leaders of the Justice Department were Paul Neiswander, defense attorney; Steve Smith, chief justice; and John Tsoutsouvas, attorney general.

The cheerleaders: Randy Stewart, Franny Nicholas, Craig Osborne, Nancy Mayr, Carla Giacomotti and Gail Smith.

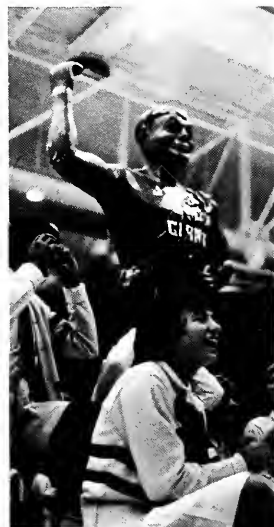

Creativity of Cheerleaders Captivates Crowds

"Who made the touchdown?"

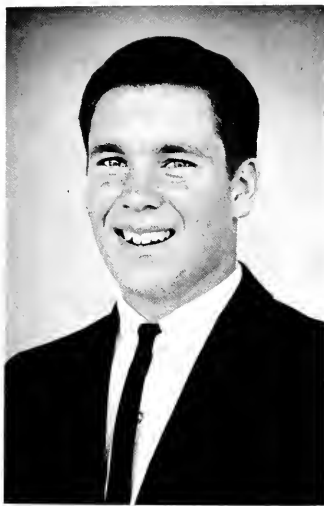

"We wanted to do the little things that make games interesting . . . especially to give the seniors something to remember." This was the spirit of dedication that whipped up a frenzied cheering section to a first place in channel league sportsmanship and gave the cheerleaders themselves top ratings and uncountable compliments from other schools. Their hundreds of hours of work were manifested in a wave of creative ideas such as amusing novelty acts like the "Tango," the trampoline acts and the organization of one of the best basketball cheering sections of Santa Barbara High. All of these contributed to their cheerleading style that was uniform yet free.

Even more than their catchy yells, "It was their own individual personalities that made the cheerleaders so outstanding," as said by Sue Brandt, Program and Rally Chairman. Their reward came in knowing that they helped to inspire the school's sports teams with the support of enthusiastic cheering sections. The cheerleaders expressed their happiness in a goal accomplished: "We just felt like you (cheering section) couldn't get any louder! You guys were just phenomenal!"

Anticipation and victory flow like high voltage around jolly O & G Giant.

Individuals Stressed In Court Cases

Twelve students this year implemented judicial procedure and vital democratic principles while rendering a service to their school and fellow students. They were the Student Court members, who were kept busy trying students given citations by members of the Campus, Justice, and Traffic Safety Committees, as well as by members of Student Legislature. Chief Justice Steve

Smith, Defense Attorney Paul Neiswander, and Attorney General John Tsoutsouvas led the eight associate justices in a new trend: penalties given in the past for a certain offense were not necessarily given to a convicted individual this year. Each case was specially studied by the court, and penalties were given after careful weighing of the facts.

Members of the Student Court were **SITTING:** John Tsoutsouvas, Steve Smith, Paul Neiswander; **STANDING:** Claudia Kunze, Sarah Williams, Judy Brookshire, Lisbeth Isaacs, Jan Preston, Lita Awl, Gwen Graham.

Ass't. Principal Nordenson To Ply Long Experience At New Dos Pueblos High

"I really hate to leave Santa Barbara (High); I've been here so long, and it's my school." These were the words spoken by Mr. Nordenson as he reflected on twenty-six years of service to Santa Barbara High School.

In those twenty-six years Mr. Nordenson has dedicated himself to the generation of school spirit among the students and to the school's recognition and respect in the community. He began his career in September, 1940, as a business education teacher. With the exception of a brief military interruption and a year as purchasing agent for the city schools, he has worked at SBHS as teacher and administrator.

Mr. Nordenson said that he has enjoyed his work as assistant principal for student activities, an assignment delegated to him in 1955. Much work and satisfaction have paralleled advising and assisting Student Legislature, Student Court, Key Club, ASL, Campus Committee and various other student clubs and committees. Handling the master schedule for all SBHS activities, assembly seating and the daily bulletins were also among his duties. A major responsibility involved boys' discipline, which has required a tremendous amount of patience, understanding and mental energy.

Mr. Nordenson's future symbolizes his spirit of assistance and dedication to youth. He will be in charge of student activities at Dos Pueblos High School, a district school to be located near Ellwood. "I'd like to help get the new school organized in student activities; I think my experience would help to get them off to a good start," explained Mr. Nordenson. He also hopes to develop a cooperative spirit between Dos Pueblos and other high schools.

Being "proud to be connected with Santa Barbara High and respecting its leadership," Mr. Nordenson is especially proud of the national recognition SBHS is receiving through Books, Inc. What Mr. Nordenson has strived for in our school is coming to "life" for others to see.

Mr. Nordenson leaves his mark on the spirit of unity and pride that he has boosted. Students at large will miss his understanding guidance and pro-youth spirit. The Student Body—past and present—extends appreciation for that service.

Vice-Principal
Mr. John Nordenson

The "Sheriff John Award" was presented to Mr. Nordenson by the 1964-65 Key Club.

Active Legislature Generates Individual Response

Student Legislature this year was the primary part of student self-government. During Legislative sessions, which were called twice a month by Mr. Nordenson, faculty adviser, representatives kept busy passing bills and discussing issues directly pertaining to the Student Body. Under the competent leadership of Vice-President Dave Riemenschneider, students discussed such new ideas as the possibilities of a legislature-sponsored Spring Carnival and the benefits of a new representation system for the legislature (the present one includes seniors from English classes and sophomores and juniors from History classes). Regular parliamentary procedure was practiced so that the students could learn the procedure used by U.S. law making bodies to reach their decisions.

As the backbone of organized student activities, Student Legislature also organized the various ASB committees. Those hard-working committees kindled lots of spirit on campus throughout the year. The creativity of many of the legislative officers resulted in an active legislature and increased communication between the individual and his student leaders.

Members of the YES/ACTT Committee — Youth Enlist Support of America's Christmas Trains and Trucks — part of a national program to support refugees and U.S. soldiers in Vietnam, discuss plans to send necessities to the refugees. The legislature committee was under Ron Woods, standing at right.

Under directions of the Student Legislature, Hilary Findley, David Escobar and David Nishihara, members of the Traffic Safety Committee, studied the possibilities of an off ramp from the Junior parking lot to alleviate the traffic congestion that started promptly at 2:30 every day.

Legislature established committees to investigate ideas outside of meetings. Some were the Carnival Committee, which was to explore the possibility of a school carnival; the Representative Committee, which was to find a new way of legislative representation; the Speaker Committee, to find interesting speakers for the Student Body and the YES/ACTT, which was part of the national plan to send necessities to Vietnamese refugees and soldiers. Others tried to get students discounts at theaters and basketball game between the faculties of SBHS and San Marcos High.

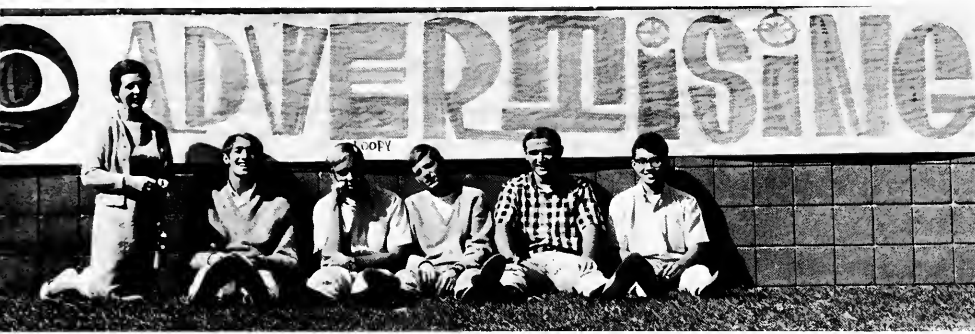

Arvin Engleson, Robert Langenbucher and Steve Smith of the Speaker Committee.

Spring Student Legislature members were (ROW 1) Mary Zurbuchen, Vicki Porter, Maria Lopez, Alexandria Herrera, Michelle Aldridge, Noni Reed, Masaye Oda, Sandy Harrod. Specialized Committees

Advertising Committee members were Miss Straight, adviser; Jim Strauss, Dave Moore, Jay Shalhoob, Ron Zoldos, Wally Tong, Missing is Chairman Rip Georges.

Advertising Committee—Lively, Creative, Informative

This year a very contagious spirit splashed forth from the Advertising Committee. The group was well organized and uniform in style. Chairman Rip George's all-boy committee was representative of many of the school's committees and clubs. That representation was a unifying

achievement which boosted communication of vital information to students. The Advertising Committee's bright, amusing and clever banners were a stimulating source of information for all.

Election Committee Responsibilities Heavy

Members of the Election Committee were SITTING: Melody Gillard, Nancy Davidson, Chuck Curtis, chairman; Craig Hoerner, Julia Reed. STANDING: Charlie Grant, Bob Butler.

Under Chuck Curtis, the Election Committee has had the heavy responsibility this year of organizing the spring elections.

Before election week began, the committee members approved all petitions and lawn displays. Also they planned the assemblies and conducted the campaign rallies. Through the excitement and confusion of Election Week, the committee members enforced campaign regulations. To cap its hard work, the committee scrupulously counted the votes. It was largely due to the efforts of the Election Committee that the student elections were conducted in a smooth, organized manner.

Backbone Campus Life

Assembly Committee Stimulates Student Education, Enjoyment

The highly influential task of selecting programs for student enjoyment and education was the responsibility of the Assembly Committee, this year under the chairmanship of Nancy Davidson.

The committee chose the professional assemblies, such as foreign dancers, musical groups, travelogues and interesting speakers. Unlike assemblies put on by student talent, the professional assemblies were paid for with funds allotted from Student Body funds.

Assembly Committee members were SITTING: Julia Reed, Gary Richmond, Nancy Davidson, chairman; Kathy Hagan; STANDING: Chris White, Terry Blue, Susan Bauernschmidt, Jane Mendillo, Mr. Nordenson, adviser; Bob Butler, Tom Hawkins.

Awards Committee Honors Top Students, Clubs

The duties of the Awards Committee arose toward the end of the school year. At that time, the committee members chose who they felt was the outstanding sophomore, the outstanding incoming senior and the school club that has offered the most to Santa Barbara High in service.

Members of the Awards Committee were SITTING: Patti Bidulph, Charlie Grant, chairman; Pete Malin; STANDING: Dave de la Torre, Arvin Engelson.

Dons Rally 'Round Patio Ticket Booth

Many a noon hour found the Patio Ticket Booth the center of attention while the Ticket Sales Committee sold tickets. Along with game tickets, they sold ASB cards and dance tickets. Other responsibilities were selling tickets for school sponsored productions. Bus tickets were sold by this committee for the first time this year. Mr. Louis Tsoutsouvas, SBHS business manager, supervised all business carried on by this committee, which was under the student leadership of Kathy Swift.

Members of the Ticket Sales Committee were, ROW ONE: Lily Tong, Sue Baughman, Kathy Swift, chairman; Paul Fisher, Janet Crow, Addie Schroeder, Rose Tong. ROW TWO: Karen Hustace, Betty Bently, Karin Reeves, Rob Anderson, Terry Nelson, Kathy Harris, Penny Hunt. ROW THREE: Patti Biddulph, Lonnie Silver, Gail Young, Gary Richmond.

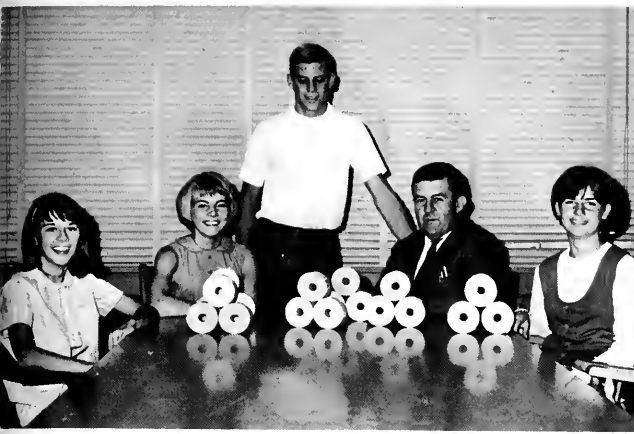

Social Committee Harbors Mission: Brighten Dons' Life

Imagination and hard work were the important requirement for the members of the Social Committee.

Under the direction of Lita Awl and faculty adviser, Mr. Clint Wheeler, this committee planned the after-game dances, the Pigskin Prom, the King of Hearts Dance and the Spring Dance. Many other jobs included providing entertainment, refreshments, chaperones, decorations and a clean-up committee for each occasion. This industrious group can be thanked for many a memorable evening.

Members of the Social Committee were, ROW ONE: Patti Biddulph, Marie Gaiton, Gayle Arnold, Cathy Salero, Nanci Mast, Selma Glasser, Susie Piskulic, Jan Preston. ROW TWO: Kathy Baughman, Marie Ferrario, Tally Balch, Cheri Torrey, Kathy Devine, Donna Farris, Donna Yaco, Kathy Carlisle, Alice Winn, Lita Awl, chairman. ROW THREE: Mr. Wheeler, adviser; Ann Freeman, Bill Wurtz, Pat Bracken, Arvin Engleson, Randy Stewart, Craig Case, Dave Nishihara, David Escobar, Gary Richmond.

Members of the Finance Committee this year were Addie Schroeder, Sue Baughman, chairman; John Rickard, Mr. Tsoutsouvas, Kathy Swift.

ASB Budget Approved By Finance Committee

Drawing up a budget and paying bills with money from the Student Body fund was the function of the Finance Committee this year. The hard-working members of the committee were also responsible for presenting all financial reports to the Student Legislature for approval and for approving the budgets submitted by each club and school organization.

Heading this committee was Sue Baughman, ASB treasurer. Other members included Mr. Louis Tsoutsouvas, adviser; Kathy Swift, ticket sales chairman; Addie Schroeder, FORGE business manager; and John Rickard Boys' Athletic Subcommittee chairman.

Boys' Athletic Committee Endorses Finances

The main function of the Boys' Athletic Committee was the regulation of financial matters for the Athletic Department, the approving of gym class schedules, expenditures, and sports events, as well as the regulating of admission prices to public school athletic competitions. Athletic awards and publicity payments were also handled by this committee.

Members of the Boy's Athletic Committee this year were, SITTING: John Rickard, chairman; Mr. Hardesty. STANDING: Mr. Tsoutsouvas, Joby Nunez, Sue Baughman, Robert Jesinger, Mr. Moropolous.

Traffic Safety Committee Emphasizes Caution

Because of the large number of students driving to school this year, the Traffic Safety Committee had quite a big job. Under the leadership of Hillary Findley, the committee was responsible for seeing that all vehicles using the parking lots had registration stickers. They were also responsible for making sure that all driving rules were respected and that the safety of the students was not hindered by lack of courtesy.

This year's Traffic Safety Committee consisted of Vickie Garcia, Hillary Findley, chairman; David Escobar, David de la Torre.

Campus Committee members were ROW ONE: Margie Avila, Jean Stanton, Mary Vakalakis, Kathy Rindlaub, Barbara Willis. ROW TWO: Gail Herritt, Linda Leggett, Melinda Britz, Eric Wallace, Arvin Engelson, Craig Case, chairman.

Campus Committee Holds the Line On Open Campus

"Catch us if you can!" was the attitude of SBHS litterers who hastened the end of our open campus. The campaign against litter was one of the major objectives of the Campus Committee, whose members handed out citations this year to student lawbreakers, to be tried in Student Court. "Campus Clean-up Week", a once-a-year activity aided by the Key Club, was a Campus Committee project. The Advertising Committee joined with the Campus Committee in reminding us to be neat.

Besides enforcing neatness, the Campus Committee cracked down on smokers and violators of traffic safety rules.

Hard-working members of the Activities Committee were ROW ONE: Franny Nicholas, Peggy Booth, Kathi Carlisle, Lori McSkimmings, Alice Winn, Kathy Devine, Dave Lopez, Craig Osborne, Kathy Olson, Cheri Torrey, Nancy Mayr, Carla Giacomotti. ROW TWO: Richard Moran, Randy Stewart, Mike Galloway, Janet Love, Gail Smith. SEATED: Chairman Sue Brandt.

Ideas, Spirit, Planning Touch Off Pupil Activities

The Activities Committee, which has been especially active this year, has had a competent leader in chairman Sue Brandt. New ideas and the desire to bring every individual student together in school spirit have motivated the committee members.

Probably the key to the committee's success was its organization; the members were representatives of different school groups, thus bringing varied talent and opinions to the Activities Committee. Successful student communication resulted in creative and inspiring committee work.

Justice Committee Upholds Rules, Regulations

The unending job of enforcing SBHS campus rules and regulations was the responsibility of the Justice Committee, under the leadership of Steve Smith. The members spent many noon hours scanning the grounds for smokers, litterers, unsafe drivers and other rules violators to whom they gave citations.

Cracking down on rules violations was a big job for the Justice Committee which, with the help of the Campus and Traffic Safety Committees, kept the campus safe and clean.

Members of the Justice Committee were **SITTING:** Patty Fager, Steve Smith, chairman; Claudia Kunze. **STANDING:** Craig Case, Julia Reed.

ASL Makes For Unity, Solutions to Problems

Under chairman Robert Jessinger, the Associated Student Leaders have found that conferences made up of the student representatives of nine other high schools have been a great stimulation for ideas and projects for school improvement.

Discussing different school problems and activities has inspired a spirit of unity among the schools represented in ASL.

ASL representatives were **ROW ONE:** Bob Jessinger, chairman; Sue Brandt, Joyce Tompkins, Kathy Olson, Addie Schroeder, Kathy Swift, Patti Biddulph. **ROW TWO:** Craig Hoerner, Butch Stern, Mike Gymnaies, Pat Bracken, Dean Starlin, Hilary Findley.

Well-Rounded Square' Talk Scores High

"That was the best assembly we've had this year," said a Santa Barbara High student after hearing Dave Grant, the "Ambassador to Teen-agers," give his lecture to the school. Mr. Grant, a speaker presented at high schools across the country, attempted with his humorous lectures to lesson some of the personal and social problems of teen-agers. He was often received with standing ovations. Mr. Grant spoke to SBHS students on the benefits of balancing their interests in social, religious, educational and physical aspects of their beings to attain and give the most happiness in their lives. The inspiring talk, "The Well-Rounded Square," was given with enthusiasm and sincerity and was applauded in the same manner by hundreds of Santa Barbara High students.

To Be a Sealbearer -- Goal of All CSF-ers

The purpose of the California Scholarship Federation was to encourage high scholastic achievement. Members earned 10 scholarship points for their semester grades (at least three "B's" and an "A" in solids). The goal of every CSF-er was to be a CSF Sealbearer, an honor given to those who had been members of the federation for four semesters, one in the senior year. Seven prospective Sealbearers were chosen for the semester ending June 17, 1966. They were Lolita Awl, Peter Harsch, Tom Piskulic, Cathy Roesler, Beth Sears, Lonnie Silver and Randy Stewart, who were honored at the end of the year at an assembly. Other Sealbearers who were chosen at the end of the fall semester are shown on the following pages.

Mrs. Nora Wilson,
Adviser

David Riemenschneider

David Riemenschneider's philosophy of life consists of deep thought on the relationship of the individual to the balance of good and evil in the world. Interested in many subjects, he said, "I'd like to learn to specialize in everything."

The ASB vice-president (BELOW) was a member of the Key Club, CSF, the Tennis Team, the Pep Club, ASL and AFS. His family was the host of Andy Burgstaller, AFS student from Switzerland.

Dave enjoyed all sports, especially skiing and tennis. He also liked going to games and dances. Because of an interest in international relations, he enjoyed keeping up on current events.

At college Dave will major in mathematics, his "forte," or work toward a career in sociology or international relations.

Beverly Shapiro

"I want to devote myself to being a teacher because teaching is a balance between working with people and intellectual pursuits," explained Beverly Shapiro. A job tutoring children gave her a head start in her career (ABOVE). After attending either Radcliffe, UC, Berkeley; or Reed College, she will teach languages, which she enjoys learning.

Beverly participated in interesting outside activities. She was a volunteer nurse's aide at Santa Barbara County Hospital ("the patients know the difference when you're paid," she explained). She enjoyed singing with the Santa Barbara Choral Society. Beverly also wrote band music, for which she made two records. She is able to improvise music on the piano. Beverly has traveled in several European countries and obtained insight into other nations' ways of life and practiced their languages.

Talented and versatile, Beverly has been capable of dividing her time and interests in activities that will become assets to her future.

First Semester

Bob Rockwell

"I don't want to make my philosophy of life anyone else's," explained Bob Rockwell (LEFT), whose broad view of life was complemented by his understanding of human dissent and difference of opinion.

The ASB President was versatile in his interests. Academically, marine biology, world literature and physics interested him most. Motivated in sports, he was on the Track Team for three years and coached the Arete Girls' Track Team one summer. Bob was active in Youth Theatre and school productions. He was also a member of CSF, the old Associated Performing Arts club, the Finance, ASL and Campus Committees, as well as the Key Club and AFS. For relaxation Bob expressed himself in a variety of musical instruments.

Bob plans to attend the University of California at San Diego or Berkeley. He said, "Being a professor at a small institution would be a perfect future."

Nancy Davidson

Never neglecting her studies, Nancy Davidson's three years at SBHS were centered around her active school life. She was notable in her efforts to understand life through education, which was very important to her.

Nancy has gained experience from her activities at SBHS. She was a member of JSA, CSF, Student Court, the Art and Modern Miss Clubs and the Girls' State American Legion Auxiliary.

Enjoying swimming, painting, and horseback riding, Nancy may attain her goal of self-sufficiency with a career in teaching or commercial art. She will attend Michigan State University to major in literature or art.

Lani Johnson

Lani Johnson was a well-rounded sealbearer in school and outside interests.

Among her colorful list of hobbies, Lani enjoyed camping, reading and playing the piano, tennis and croquet. For her church, which is a motivating force in her life, she sang in the choir.

In her three years at Santa Barbara High, Lani, an "A" student, found expression for her ideals in various extra-curricular activities. She was a member of AFS, CSF, the Science Club and the A Cappella.

In the future Lani will attend Stanford where she will major in chemistry or biology. "I'd like to do research or to be a teacher," she said in regard to a career.

CSF Sealbearers Maintain . . .

Chuck Curtis

"Exploring life is so interesting, I'd like to be a dilettante but without letting qualities suffer," stated Charles Curtis, a sealbearer who pursued diversified extra-curricular activities while maintaining an "A" average in advanced courses. He participated in the Science Club, Male Octet, Student Legislature, Key Club, Madrigal Singers, CSF, and was president of the Election Board (LEFT). In addition Charles attended Santa Barbara City College as a senior at SBHS for political science and computer programming classes.

In his spare time the deep-thinking sealbearer enjoyed playing tennis, reading and "following up ideas from my world literature class." Charles will attend Williams College in Massachusetts and take a liberal arts curriculum before specializing.

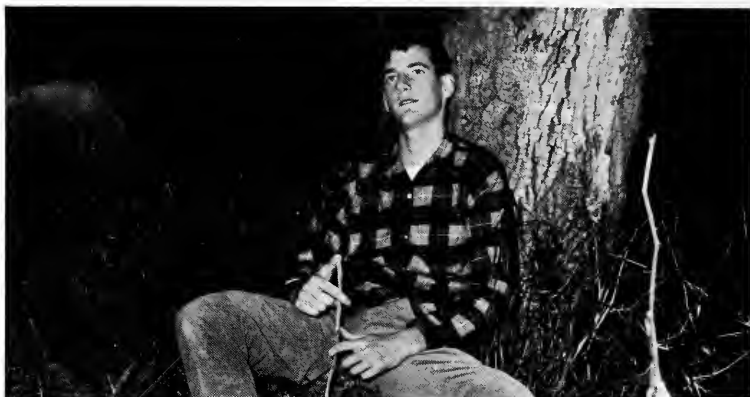

Gary Richmond

"Life's a banquet and most poor fools are starving," is Gary Richmond's philosophy of life as quoted from *Auntie Mame*. In an attempt to satiate his hunger, Gary participated in school activities including the "O&G" yearbook staff, the Art Club, ASL, and the Key Club, of which he was treasurer. He was also a member of the Assembly, Social and Ticket Sales Committees, Senior Class Council and CSF.

In his spare time Gary enjoys expressing himself in art work, teaching himself how to play the piano and meditating at the beach.

Because Gary believes that one should learn for learning's sake rather than study toward a rigid career, he plans general study at UCSB this Fall. Gary also looks forward to an exciting summer in Mexico under the Experiment in International Living, headquartered in Putney, Vt.

Chris Chennell

Chris Chennell's broad background of interests ranged from existentialism to sports. Possessing analytical humor, he enjoyed "observing the typical school conformists" as well as watching old comedy movies. He also enjoyed teaching children in his church group, hiking and skin-diving.

Chris was a member of CSF, AFS, Science Club and was vice-president of his Junior Achievement group. As a senior he also attended philosophy and anthropology courses at UCSB.

This sealbearer will attend college where he will pursue his interest in mathematics.

Addie Schroader

Addie Schroader's hobbies and school activities indicated her delight in life. She explored life through her hobbies of sailing, visiting curio shops, modern dancing, caring for her poodle, walking, swimming, cooking "weird dishes" and writing ("When something really bothers me I come to terms with it on paper.")

At SBHS Addie was busy with her classes and school activities. Honors English classes and advanced science and history courses formed her academic interests. She was business editor of the *Forge* staff, secretary of Usherettes and president of AFS. She also participated in "Camelot", the ASL and Ticket Committees, Modern Miss Club and CSF.

Addie will attend the University of California at Irvine, where she will take English, history, as well as French, which she hopes to teach.

Kathy Swift

"My problem is that I like everything," stated Kathy Swift on thoughts of future education. She hopes to continue in many of the subjects which have tapped her enthusiasm for freedom of ideas.

At SBHS Kathy was a member of the Swim Team, Finance Committee, AFS, ASL, CSF, Madrigal Singers, "Camelot," and was chairman of the Ticket Sales Committee. Kathy, or "Doc," to her friends to whom she gave advice, enjoyed writing poetry (especially haikus), cooking, modern dancing and playing the piano and the guitar.

Kathy, who believes that "learning is a lifetime project," will attend Occidental College. There she will experience an education in the humanities before specializing to become a writer or teacher.

Tamara Compton

"One must set high goals and work hard if one is determined to succeed." Tamara Compton's philosophy of life has worked for her in winning the position of student director for "Camelot." She was active in many school theater productions as chairman of various committees, a dancer and as an actress.

Tamara participated in AFS, CSF, Usherettes, Thespians and Modern Miss. She was a finalist in the Lions' Club Speech Contest and a speaker for the Young Adventurers Radio Show.

Tamara will attend UCSB and study to be a high school or college drama teacher so that "I can interest students in the lessons of truth and knowledge in the theater."

... High Grade Average,

Sam Tsoutsouvas

"I am amazed by the countless ideas which I can explore," said Sam Tsoutsouvas about his future education. His artistic goals have already led him in various directions.

Sam was a member of the Male Octet, JSA, "Forge," Student Legislature and was president of A Cappella. He strived for perfection in his roles in "Finian's Rainbow," "Teahouse of the August Moon," "The Lark," "The Rainmaker," "Camelot" and "The Imaginary Invalid."

In his spare time Sam enjoyed reading different material to satisfy his wide taste, and "just about anything else with people I enjoy." He plans to attend UCSB or Occidental where he will try to major in English, drama and music.

Sherry Rodgers

Sherry Rodgers, a member of AFS and CSF for three years and president of Usherettes, "liked school very much."

Her interests were creative and career-building. She enjoyed "taking off" with abstract painting, sewing, barbeques, crafts and tennis. After entering a Science Fair, Sherry developed an interest in science with school courses. Wishing to help those in pain, she was a volunteer "Candy Stripper" for four years at the Cottage Hospital. In the Work Education Program she continued her interest in the medical profession as a dental assistant (above). She plans medical research at UCSB.

John Rulien

"I always keep a low grade—to keep my ego from getting out of hand." The same subtle humor that prompted that statement will keep John Rulien busy writing about people's follies in a planned sequel to Erasmus' "In the Praise of Folly."

At school John has enjoyed especially his literature, chemistry and sociology classes. He was a member of CSF, Science Club, Key Club and "Sleep Club."

At the University of California at Santa Cruz, where he plans to attend college, John intends to major in sociology and anthropology while taking courses in philosophy, which for him is closely related to religion.

... Well-Rounded

Mike Ritter

Mike Ritter, a sealbearer with an intriguing sense of humor, has worked hard in advanced courses such as chemistry, algebra 2, advanced topics and German while maintaining an "A" average.

Having been a member of the Swim Team for three years, he set a record for the butterfly stroke as a junior. He was also active in Cross-Country Track.

In his spare time the likable senior enjoyed surfing, reading and, as a member of the Karate Club, karate. He analytically philosophized on the phoniness in what he saw and read.

Mike is planning to attend the University of California at Santa Cruz where he will major in mathematics.

Congratulations, Sealbearers!

Jean Davidson

Anticipating summer travel through Western Europe was CSF Sealbearer Jean Davidson. She and her sister will travel by bicycle while her parents remain in England. She looks forward to extensive traveling and meeting new people because "with broader experiences I learn more about myself and realize things I wasn't aware of before."

Jean's interests were tennis, cooking and reading. At school she was a member of AFS, Usherettes Treasurer and CSF President.

Jean's attendance at Swathmore College in Pennsylvania promises more new and challenging experiences. She will continue with her interest in mathematics and literature, and hopes to use her traveling experiences for a career in international relations with a language major.

Ann Duncan

With her characteristically optimistic attitude Ann Duncan (LEFT) viewed the world as "beautiful and always changing." She was impressed by the Hindu, Greek and Renaissance philosophies of life but felt her experience was inadequate to choose her own.

Ann enjoyed playing the guitar and the piano, sewing, and helping to organize programs for her church youth group. At school she was in the Folksingers' Group, AFS, CSF and the "O&G" Jubilee.

In the future Ann may join the Peace Corps after majoring in sociology at the University of California at Santa Barbara.

Morris Jenkins

"Clubs, football games—it's the first time in my life that school has means so much to me." So reflected Morris Jenkins on his three years at SBHS. The easy-going sealbearer participated in Cross Country Track, A Cappella, Madrigal Singers, Band, CSF, AFS, the Key Club and a Color and Design Seminar. His psychology, chemistry and biology classes were the basis of his academic interests.

Morris' outlook on life, motivated by his religious beliefs, was expressed in his vice-presidency of Campus Life and presidency of his church youth fellowship. His other interests were playing tennis, walking along the beach and traveling.

Morris hopes to attend Westmont College or UCSB, where he will major in religion.

Senior Class of '66 to Go Down in Time, They Claim

"To '66 there is no rhyme, but the Senior Class will go down in time." The senior class of 1966 has gone down in the history of SBHS as one of the most versatile, spirited and energetic classes to fulfill three successful high school years.

Their first contact with high school was Sophomore Orientation in which both the light and serious sides of SBHS were revealed. As the year advanced, the class was exposed to the almost traditional showing of "Marie Antoinette" in connection with sophomore history courses.

As the schools largest class began their second year at SBHS, they were subjected to the traditional period of junior testing. As elections drew near, there was a great deal of enthusiasm displayed by the Class of '66 in both running for office and supporting their individual candidates. The junior class ended the year by decorating the stadium for graduation ceremonies.

As Sophomores, the class of '66 was inspired by that "Don's enthusiasm" and built this enthusiasm to even greater dimensions as it progressed. As Seniors, this enthusiasm grew to make the Class of '66 truly a class "to go down in time" as one of the most-spirited and dedicated classes to enter SBHS. Since the class officers were elected late in junior year, some projects carefully planned ahead became successful realities. The magazine sales, designed to raise money for Senior Week activities, was indeed a marked success, for the class surpassed their goal by \$800.

One of the greatest assets of the Class of '66 were their counselors, Mrs. Anne Scales and Mr. Robert Corn. (Mr. Henry Baylor counseled boys the first two years before going on to the principalship of new Dos Pueblos High School, before construction started.) Their careful guidance and counseling helped make the Class of '66 a success.

Mrs. Anne Scales, Girls' Counselor

Mr. Robert Corn, Boys' Counselor

Members of this year's Senior Class Council were (FRONT) C. Rookard, S. McPhetridge, M. Hughes, A. Aranda, J. Meyers. (MIDDLE) Awl. D. Lipton, M. Gaitan, I. Semer, M. Sams, A. Winn, S. Bauernschmidt, J. Baker. (BACK) V. Nicoletti, E. Pointer, J. Curran, D. la Torre, R. Jesinger, H. Findley, T. Nelson, J. Gibson, J. Nunez.

Olive and Gold Senior

Franny Nicholas

"The excitement of our first football game" stands out in the high school memories of Franny Nicholas, "O & G" Senior. Franny tried to pass on this enthusiasm by meeting new people each year and "getting the sophs interested in the school."

Franny was born on Mare Island, near Vallejo, California, and traveled with her family to Guam, Germany, Africa and other places in Europe before moving to Santa Barbara when she was 10. At SBHS, Franny was in the Honor Society, Band and also served as ASB Sergeant of Arms. Upon entering SBHS, Franny immediately became active in Legislature, Pep Club, Ticket Sales Committee, GAA and the Tennis team as well as the Orchestra (which performed in "Finian's Rainbow.") As a junior she continued her membership in the above and added Scroll Staff, Basketball team, "O & G" Jukebox and the Christmas Show to her activities.

As a Senior, Franny was able to do what she had dreamed of: leading SBHS's cheering section as an ASB Yell Leader. This past year she was able to continue her activeness in her past endeavors as well as participating on the Activities and Social Committees. Among her favorite hobbies are painting, life saving and tennis.

Franny also holds many opportunities for Franny in music, although her interests lie in marine biology and criminology.

Olive and Gold Senior

Randy Stewart

Randy Stewart, "O & G" Senior, remembers most his "first game" as an ASB Yell Leader and also having "lots of fun in those musicals." Randy came to Santa Barbara from Evanston, Illinois, when he was seven.

Randy entered SBJHS and in the ninth grade was president of the Honor Society and also ASB Chief Justice. When Randy started high school his musical career started. He became a member of "A Cappella, Madrigal Singers and was in the Christmas Show and "Finian's Rainbow" as well as CSF and legislature. As a junior he continued his participation in A Cappella and the Christmas Show and also became a member of the Male Octet, "O & G" Jubilee, Jazz Concert and Choir Festival. Randy also added JV Basketball to his busy schedule.

This year Randy continued his participation in A Cappella, Male Octet, Madrigal Singers, Christmas Show and the "O & G Jubilee." However, Randy added a whole new dimension to his high school life by being elected by the Student Body as an ASB Yell Leader. This year he also took part in the Activities Committee, Pep Club, Key Club, Legislature as a student body officer, "Camelot" and the Southern California Honor Choir.

Even though Randy likes to sing and listen to records he states that he is "too busy to have hobbies." After graduation Randy plans to go to college and major in music or French.

Administrative Staff Primes

Achievement via Learning

Some of the most important people in the community were the members of the administrative staff, responsible for the operation of the school system, for under their competent direction, future citizens and possibly even world leaders were molded. The superintendent of this deliberative body was Dr. Norman B. Scharer. Under Dr. Scharer's guidance his staff, composed of prominent members of the community interested in the welfare of youth, worked long hours to insure academic excellence in Santa Barbara schools.

Solution to City School Problems Sought by Board of Education

Twice a month, throughout the year, the Board of Education met to analyze, discuss and attempt to solve the numerous problems presented by the Santa Barbara City Schools. At these meetings, the Board acted upon suggestions by administrators as well as volunteer lay members. Visitors were welcomed, and were encouraged to submit ideas and questions, all of which the Board took into serious consideration in determining their policy.

The members of the Board, headed by Mr. Arnold W. Jacquemain, president, and Mr. Robert E. Kallman, vice-president, were not reimbursed monetarily, but felt that the knowledge that they were of service to the community was wage enough for their efforts. Additional members of the Board included Dr. Norman B. Scharer, secretary-clerk, and his assistant, Dr. Charles A. Woodfin, clerk.

Decision-makers meet semi-monthly to resolve problems in the school system.

School Chiefs Must Weigh Person's vs. Group's Needs

Mr. Louis Tsoutsouvas

Mrs. Ernestine Shean
Registrar

Efficiency in any institution, and especially in a school, is rarely appreciated unless it is lacking; thus students of SBHS generally take for granted the lack of confusion which pervades our school's atmosphere. Vital to this efficiency, however, is a good administrator, and all and sundry were fortunate to have the services of Principal Claud Hardesty. Yet despite the ever-pressing problems of retaining the high quality of order, Mr. Hardesty with his assistant principals and advisers, was personally responsible for the direction of the counseling program and was continually interested in the individual student.

The duty of the counselors was a simple one to recognize. It was to adjust students' programs to fit their desires and abilities as well as to aid individual personal adjustment. The accomplishment of these tasks, considering the boost in enrollment to 2400 students in SBHS, was appreciably more difficult. The bulk of this responsibility fell on the shoulders of six persons. The counselors were Mrs. Anne Scales, senior girls; Mr. Robert Corn, senior boys; Miss Dorothy Cotton, junior girls; Mr. Harold Dierenfield, junior boys; Miss Barbara Wright, sophomore girls; and Mr. Robert Hager, sophomore boys. Daily these persons dedicated to student service visited with many students and discussed with them social, scholastic and home problems.

As an additional function the counselors handled such national examinations as SAT, ACT, STEP, SCAT, and National Merit.

Counselors work for close relationships with students.

Cooks, Custodians Serve Behind the Scenes

Cafeteria ladies were: (FRONT) Ardys France, Mildred Sanchez, manager; and Tillion Holdsworth. (BACK) Grace Mautrio, substitute; Mary Fornatiero, Ruth Garcia, Lorena Vickery, Rebecca Gonzales.

A cash register needs feeding, too.

Moving among the Student Body, working in shifts around the clock, striving to keep the Santa Barbara campus clean and free from trash—the custodial staff was scarcely noticed except when they chastised a litterer. Yet students would indeed have to wade through certain littered spots on campus without their incalculable aid.

Another group of people who worked behind the scenes were the cooks. Because of their efforts, students who by chance preferred hot, well-cooked meals to squashed sandwiches in a paper bag were able to selectively fulfill their desires.

Jointly they provided 10 scholarships for deserving students (names unavailable at page closing), 6 more than last year. Members ran the concession stand at football games and sponsored Back-to-School nights on October 7 and March 3. Honorary Life Memberships were given to Mr. Stewart Paulin, a teacher at SBHS for 26 years, who is transferring to Dos Pueblos; and Mrs. Lawrence Fisher, the 1965-66 president. On May 12, after deadline time, the officers for next year were installed.

Library Provides Material for Study, Leisure Reading

A well-equipped, well-operated library is of incalculable importance to any school, and the students of SBHS are fortunate to have a library as well-endowed with as comprehensive a selection of books as ours. The students can find books in nearly every necessary area—critique, political science, psychology, history or fiction. The intricate system of card catalogues, reference and cross-reference books, and magazines, plus the assistance of Mrs. Olma Bowman, head librarian, has changed more than one grade from a C or D to a B or an A.

English Department Imparts Knowledge Of Literature, Composition

Mrs. Dorothy Brubeck
Department Chairman

Mr. Kent Andrews

Mr. Garret Arbelbide

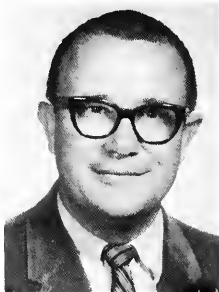

Miss Florence Ayton

Mr. Wayne Cardon

Mrs. Dorothy Brubeck, as chairman of the English Department, coordinated one of the most comprehensive programs in the school curriculum. Playwrights from Sophocles to O'Neill, novelists from Cervantes to Steinbeck, even philosophers such as Nietzsche and Thoreau were studied as the teachers attempted to acquaint students with the most profound thoughts of some of the greatest minds the world has ever known.

Moreover, the English Department served a dual purpose. Besides the studies in the area of literature, any student, whether his future plans include college or a skilled trade, obtained a knowledge of the basics of the English language. These basics were very important to not only future college students, but also students who will need to be able to use the language in all walks of life.

Social Sciences Dwell On Man's Greatness

The world in which we live is experiencing problems of an intensity unlike any others in history, but this fact only makes history a more significant field of study, for the problems of today have their roots in the events of the past. Speculation on changes in events or leadership in history bring to light the tremendous difference one such change would make. Suppose Carthage had decimated Rome. What would have happened if Harold had defeated William at Hastings. Consider the difference in our own lives had the American Revolution failed. Or if Freud had not come upon the scene.

The significance of history is the basic concept which the History Department at SBHS attempts to impart to the students. Their ask is often belittled or misunderstood, but their understanding of the full meaning of the past for the future impels them onward.

Trigonometry, Algebra, Geometry, Advanced Topics

Students find numbers to the ten-thousandth on the giant slide rule.

If Euclid were to wander into a modern mathematics classroom, he would be astounded—astounded at the students, at the teachers and at the apparatus used to convey the important concepts of math. He would be amazed by the variety and intensification of subjects—algebra, geometry, trigonometry, calculus. He would be bewildered by the knowledge of the ordinary student.

Mathematics has made tremendous progress since the days of Euclid, and the major concern of the SBHS Math Department is to convey to the student the distillation of this progress.

Science Department Helps To See 'World Around Us'

In the southern wing of the main building, numerous students braved experimental failures, chemical explosions and queasy stomachs to gain a knowledge of scientific truth. The Science Department, with Mr. William Jorgenson as department chairman, attempted to sate the inquiring young minds with courses covering many scientific fields; the most common topics of study were physics, chemistry and biology. In all science classes, students were taught the scientific facts which past ages of experiment and thought have proven to be truth. Even for the student not interested in pursuing science as a career, courses in this area were extremely important to lend objectivity to a semblance of a well-rounded education.

Foreign Languages Afford a Window to Cultures

In days when you can eat breakfast in New York, lunch in Paris and dinner in Istanbul, the problem of intercultural communications has been widely discussed. Some claim a universal language, such as Esperanto, is the method of solving the difficulty. Others, including high school foreign language teachers, claim the only solution is education. The teachers of Spanish, French, German and Latin in SBHS most effectively did their share to prove the feasibility of the latter theory. A complete course of study consists of four years of French, Spanish, and Latin and three years of German gave students a solid background in these languages. Also, the courses offered helped pupils to gain a better knowledge and appreciation of English through study of foreign tongues.

Miss Laura Lou Houghton headed a staff of eight teachers well grounded in the field of foreign languages. In a world where communication is on the ascendency, their contribution has been invaluable.

Artists wishing to develop skill in naturalistic water color or freehand drawing found both beginning and advanced classes opened to them. In an attempt to retrace the evolution of art, Miss Straight's painting classes did projects from cave painting to Victorian still lifes, to modern art. Offering a different approach to art, Mr. Jack Baker's classes extensively used "Pop" and "Op" influences, along with the usual bright color. The opening bars of the "Nutcracker Suite," played by the SBHS orchestra (under the direction of Mr. Alfred Coffman) at the Christmas program, was evidence of the high quality of the music program at SBHS. Besides the orchestra, the a cappella choir and the madrigal singers were major musical institutions, and both of these choral groups were well known around the community for their quality. The excellence of the madrigal was sufficiently recognized for it to be invited to become a part of the Southern California Honor Choir, which sang in Newport Harbor High School on January 15.

Cooking, Clothing, Child Growth Classes Provide Valuable Exposure for Future Homemakers, Aides

Why does California have such a high divorce rate?

The essential reason is because too many young people enter the institution of marriage with little or no knowledge of the responsibilities required for a happy home atmosphere. Young mothers discover with a shock that besides being cute and cuddly, babies have dirty diapers and an inclination to cry at two in the morning. The homemaking course at SBHS is designed to prepare girls for wife- and motherhood; for this purpose, such subjects as family living, cooking, sewing, and child care are treated.

The lights dim; slowly the curtain rises; the fall play has begun. To a large degree the success or failure of this venture was dependent upon the small group of boys, under the supervision of Mr. Nakano, who comprised the stage crew. They built the sets and set up the stage; even while the play was being put on, they controlled the lighting effects.

Similarly, SBHS is indebted to the sound crew, directed by Mr. Ormsby. These boys played an incalculable part in the success of the cheering section at football games, as well as the handling of auditory problems in our assemblies, dances and pep rallies.

Education Provided by Industrial Arts for Prized Hand Skills

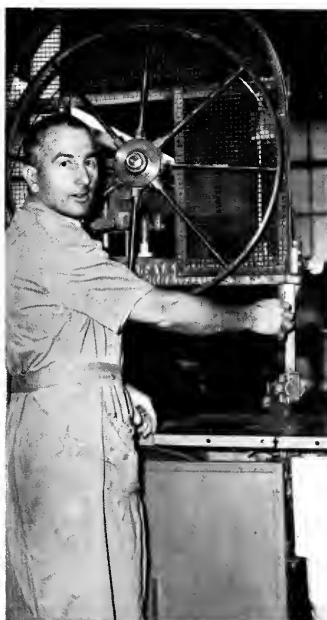

The Industrial Arts Department was essentially unique in that they dealt directly with the students' future vocations. A student taking a subject such as auto shop may very well go on to become a mechanic. Many students bound for college felt that, if their interests lay in the field of engineering, a solid background in electronics, gained in a high school shop class, would be invaluable. But the great advantage of an Industrial Arts course was that even a student not interested in a vocation directly correlating his work in the shop could gain training to make him a much more knowledgeable domestic repairman of the future.

Business Education is another phase of the SBHS curriculum designed to prepare students for the post-graduate world. Typing, an essential to any student planning to attend college, is the most popular of the courses offered, but many students also are enrolled in clerking, stenography, bookkeeping, salesmanship and secretarial work. When in future years, the students become working members of the community, they will understand the complete value of their studies in the Business Department of SBHS.

Through the work education program, students left the sheltered atmosphere of the school to gain a taste of the lives they may lead after graduation. In their various positions they worked for school credit and/or monetary remuneration, and they chose between work after noon or work after school. The Work Experience office conducted tests to determine vocational inclinations, thus aiding the individual student in selecting his job. The many students engaged in this program provided ample evidence of its success and popularity with the Student Body.

The sun drops over the edge of the hill,
The night descends as a curtain drawn.
The air holds a touch of gladness still,
But shortly this also is gone.

Sends dim remembrances through our minds flitting,
And we stop our mad rush, our flight from the fleeing,
To offer our gratitude fitting. —Anon.

The 1965 Dons opened their pre-season competition against the St. Augustine Saints of San Diego with a thumping 34-7 victory. Quarterback Joby Nunez could- n't be halted as he scampered for three touchdowns: two were 37 and 44 yards long. Other scores came from Augie Rapanut, who kicked four out of the five PAT's and scored a TD from the three, and Steve Cathcart, who engineered a 42-yard touchdown play for the Dons' final score.

The highly-rated Fremont Pathfinders of Los Angeles invaded Peabody Stadium with the intention of dump- ing the Dons as they had done last year by a 13-7 score. But the Dons' effective blocking and a charging interference reversed the idea as Fremont was goose- egged into defeat by 21 points. Scores came from Dickie Warren on a 61-yard punt return, a pass from Joby Nunez to Warren and a one-yard plunge by Nunez. Rapanut kicked the three PAT's.

Upset-minded Long Beach Poly handed the Dons their first defeat of the season with a 19-7 score. The Dons never really got a drive started as penalties and fumbles were frequent. The lone score for the Dons came midway through the first quarter when halfback Dickie Warren received a Poly punt on the 30-yard line and, with a key block from Tim Hooker, outran the Jackrabbits for a thrilling 70-yard touchdown. For the 'usual capper, Augie Rapanut kicked the extra point.

Bakersfield's powerful ground plays dominated the Dons as the Drillers scored twice in the second quar- ter and once in the fourth to conquer them 21-7, ending SBHS' pre-season tilts with a two-win, two-loss record. The lone score for the Dons came late in the first quarter, when quarterback Joby Nunez raced 92 yards to paydirt. Augie Rapanut kicked the extra point.

The Dons were edged out of victory by San Marcos as the Royals scored seven points in the last eight seconds of the game, to win 21-20. The Mighty Dons jumped to an early 14-0 lead on two TD's by Rickard. The score was tied in the third quarter by the Royals but was broken when Dickie Warren found daylight and raced 52 yards to paydirt. Victory was almost in sight, but a Don fumble was recovered by the Royals, who later scored the deciding points. Rapanut kicked two out of the three extra points.

The Don eleven put on an impressive display of offensive power as a 47-19 victory over the Ventura Cougars broke a three-game losing streak and gave Santa Barbara High School their first Channel League victory of the '65 season. The game was characterized by the brilliant play of the entire Don line, with the backfield doing its share to bring home the victory. Scores were made by halfback Rick Sizer, quarterback Joby Nunez, flanker John Rickard, soph Grady Hurst, and Rapanut as he kicked five out of seven PAT's.

The Dons, scoring the first three times they had the ball, proved their determination and drive to win on the grid field by routing the strong Camarillo Scorpions 28-25. Joby Nunez raced to paydirt three times, once on an 85-yard kickoff return. Other Don scores came from John Rickard, Augie Rapanut and Donlet Tony Jackson.

The El Dons sank the Hueneme Vikings by an overpowering score of 30-0. Santa Barbara used all their offensive tactics to put the Hueneme line everywhere but where the Don ball carrier was. League-leading scorer, John Rickard, scored twice on four-yard drives; Joby Nunez once on an eight-yard end run; and John Avila twice on 10- and 15-yard pass plays. Linebackers Tim Hooker, Adrian Munnemann and Tony Abdalla led the Don defense with 10 tackles apiece.

The Dons fell through on their attempt to upset Oxnard as the Yellowjackets broke away in the final four minutes to defeat SBHS 26-12. The Dons opened the scoring as they drove 80 yards in 14 plays the first time they had the ball. With six minutes left in the third period, the score stood 12-6 in favor of Oxnard, but John Rickard tied the score on a 14-yard run. The Dons ended the '65 season with three wins, two losses in Channel League play, and five wins, four losses for the season, plus vast experience with formidable football aggregations.

The Dons proved that they could get through anything and any defense the Fremont Pathfinders of Los Angeles could set against them. Here an unidentified Don drives for extra yardage and a first down as Dickie Warren (20), Bob Shean (70), and John Rickard (30) are hustling to assist.

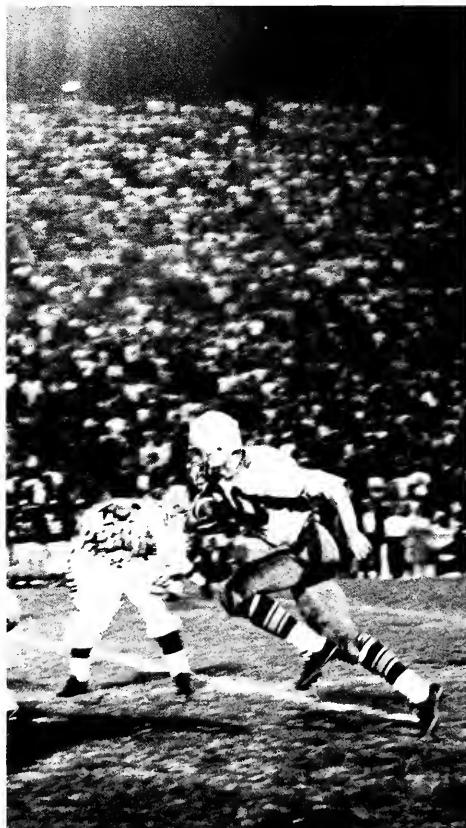

Dons Slam Cougar 47-19 in 1st Channel Win

The "Wall of Stone" was revived in the Ventura Cougars game as Bruce Brammel (95) and Mike Rossi throw a Ventura player for a loss. Russ Michaelson (73), Tony Jackson (48) and Danny Dominguez rush in to assist.

ABOVE: Ventura's players look on as Augie Rapanut kicks another extra point-after-touchdown, as he did for five out of the seven TD's made by the Dons, beating Ventura 47-19. RIGHT: The San Marcos Royals handed the Dons their first loss of the season 21-20, after the Dons had won 26 Channel League games in a row. John Rickard is shown accelerating his way through the Royal's defense for extra yards.

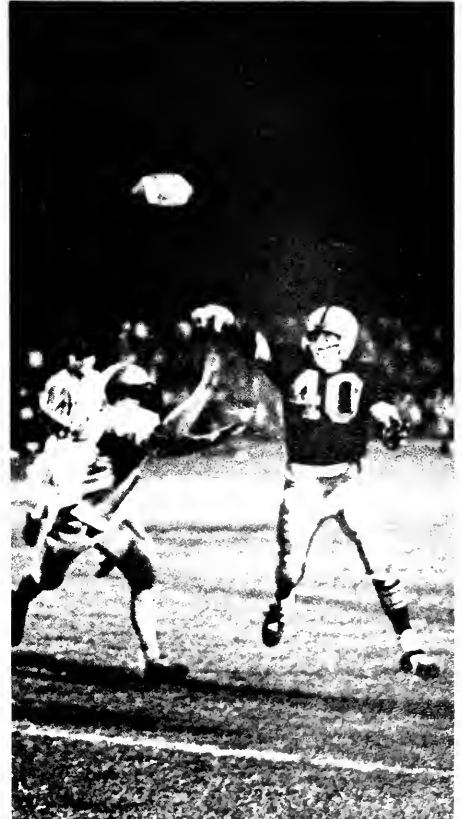

Jumping towards the ball with one last great effort is an unidentified player desperately trying to save a pass, for the Dons, from three rushing Oxnard players behind him. The pass fell incomplete.

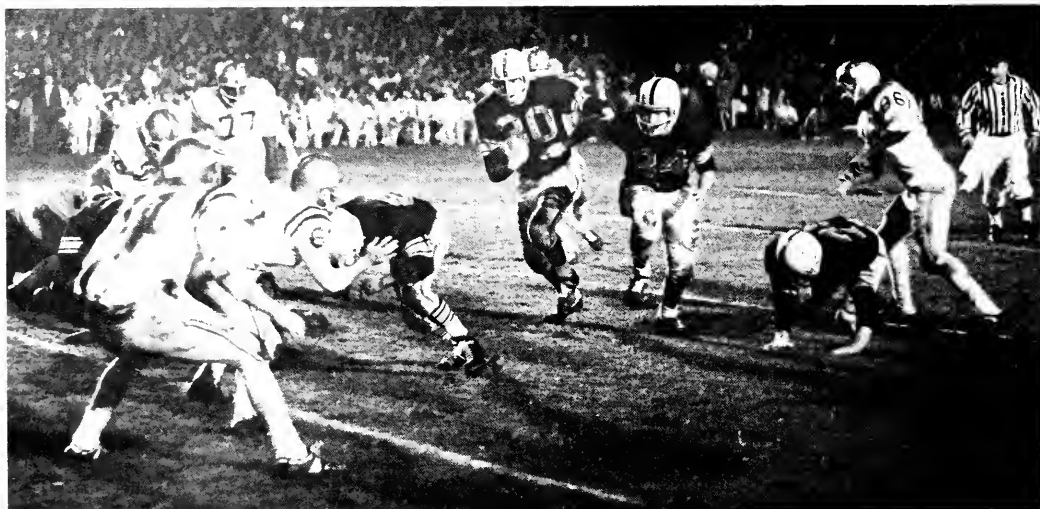

Linebacker Tim Hooker (65) shows no mercy as he meets head-on with Dennis Bowan (20) of the Camarillo Scorpions while running interference for Don ball carrier John Rickard (30). The Dons won 38-25.

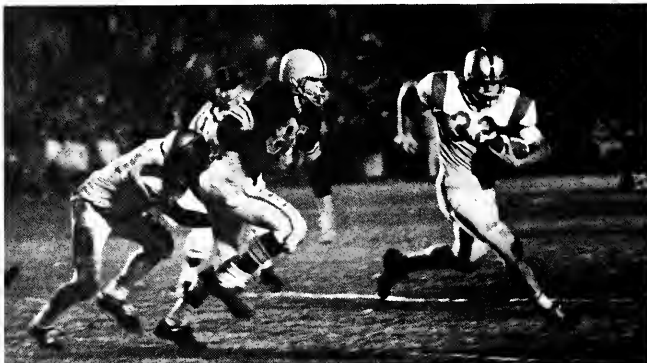

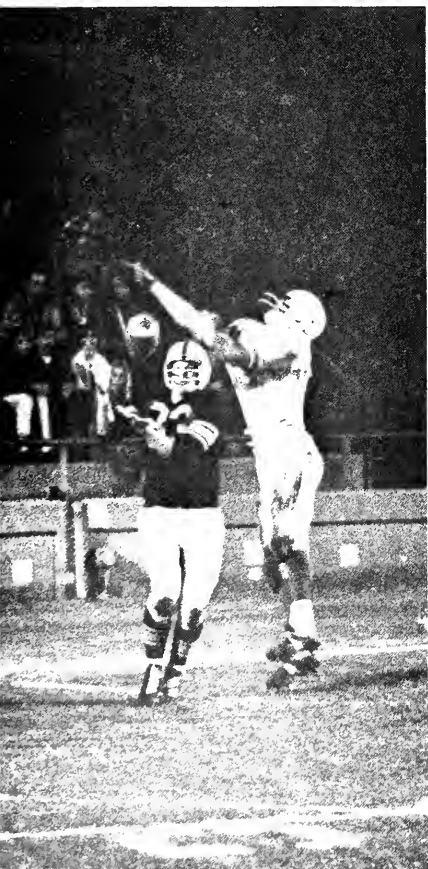

(ABOVE) The Hueneme offense was everywhere but where their ball carrier was as Mike Rossi (86), Bruce Bramel (95), and Richard Sanchez (42) prepare to give the Viking runner a taste of the Dons' turf. The Dons overwhelmed Hueneme by a 30-0 score. (RIGHT) Don quarterback Joby Nunez fires off another pass while being rushed by an Oxnard player.

In an admirable manner No. 30, John Rickard, and No. 34, David Nishihara, break through Oxnard's tight wall after their way has been cleared by the Don linemen. Despite such heroic and powerful attacks, the Don's fate in this game could not be altered as the Yellow-jackets broke away in the final quarter to win the League by a 26-12 score.

Bone-Crushing Donlets Seize League Title

The 1965 Donlets finished the season with an outstanding performance. They recorded six wins and no losses, which made them Channel League champions. The total scoring for all six games was 166-33, proving that the Sophs had a tremendous year. Leading the team and league in scoring was sophomore tailback Grady Hurst. The record number of lettermen also proved the quality and depth of this year's squad.

The Donlets opened their season with a 13-7 win over our cross-town rivals San Marcos. The San Marcos team played an improved game, but the spirit and determination of the championship team produced another Don victory.

Harrier Team Finally Lands in CIF Finals

For the first time in SBHS history, a Don Cross-Country team qualified for the CIF finals. The 1965 Varsity Harriers, under the direction of Mr. William Crow, captured seventh place in the "AAA" schools of Southern California after finishing the regular season with eight wins, one tie and one loss. The Jay Vees had a fair season with a four-win, five-loss record while the sophomores came through successfully, winning six out of nine meets.

Jerry McGinnis was chosen by Coach Crow as the most valuable Cross-Country runner from among the outstanding Varsity Harriers.

Sophomore runners this year were (ROW ONE) Scott Boydston, Keith Fridman, Chuck Smith, Doug Scott, Dennis Pettit, Francisco Ochoa. (ROW TWO) Ruben Gaona, Chris Lyons, Bob McMichael, George Holguin, Jack Olmstead. (ROW THREE) Coach Crow, Guadalupe Villapando, Fred Franz, Santos Escobar.

The expression on sophomore Doug Scott's face tells the exciting story of the San Marcos cross country meet. Dons 23, Royals 38. (Low score wins).

Juniors Tim Clark and Ken Danielie start down the home stretch after covering a 2-mile course around Peabody Stadium during the junior varsity contest with the Ventura Cougars in which the Dons won 16-47.

Carlos Campos, Clint Kennedy, and Jerry McGinnis, respectively, pull hard against Ventura. Their winning effort helped the Santa Barbara Dons to defeat the Cougars 22-38 and to extend their league record to 2 wins and no losses.

Varsity harrier Clint Kennedy takes the first place stick against San Marcos after finishing the race in the time of 9:44, 4 seconds shy of the school record.

One can almost read the thoughts of Varsity harrier Paul Fisher as he strains every muscle in an effort to beat his opponents from Ventura.

Jolly 0 & 6 Giants '21-3'

Proves Court Supremacy

The Santa Barbara High School Dons ended one of their most successful seasons with a 21-3 record and captured the Channel League Crown and the Oxnard Christmas Tournament Championship.

Starting his second year as varsity coach, Mr. Jack Trigueiro built his team around the lone returning varsity letterman 6' 11" Victor Bartolome, one of the taller preps in the state, and 6' 6" Gary Arbelbide, a transfer with three years of varsity experience. Bartolome broke the Dons scoring record by tallying 44 points to lead the Dons over Hueneme 95-54. Gary was key play-maker and used his rebounding strength to clear the boards many times. Seniors Steve Mendoza, Joby Nunez and Dave Kreutzkamp proved to be real assets to the team as their ball control and drive helped to complement the moves of the "Big Two." Mendoza shot many times from 17 to 20 feet out, while a 25-foot set-shot by Nunez won the Bakersfield game 53-52 after the Dons had been behind all the way. Also battling for a starting position were juniors Cliff Lambert and Dave Thompson. Lambert was one of the stronger defensive players, while Thompson lent valuable support during crucial situations. Jim Hicks was a fine eighth man and an alert ball handler. Rounding out the squad were Terry Hillebrand, Steve Michaels, Tom Piskulic, Danny Nava and Bob Jesinger.

The Channel League race went right down to the wire as the Dons outclassed San Marcos 51-48 in their last league game to become undisputed Channel League Champions and win a berth in the CIF AAA playoffs with a record of nine wins-one loss.

The Monrovia team met the Dons on the UCSB court in the first round of the CIF elimination games. The Dons fought off a spirited rally by the Wildcats to win 56-44 and advanced another step in CIF.

Crescenta Valley challenged the Dons in the second CIF game and won 51-53 in one of the more exciting games ever seen at UCSB. Although SBHS lost, the Dons never gave up as their repeated rallies kept them at the heels of their opponents.

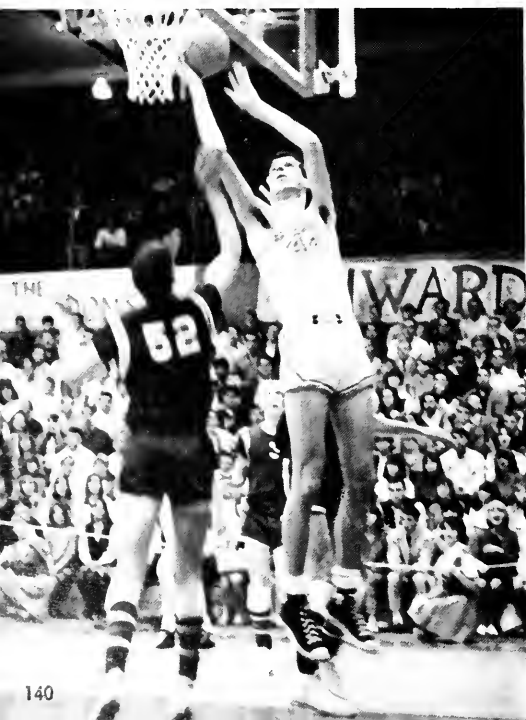

Arbelbide was named to the All-Channel League first team, received the Dons top rebounding award, was co-captain and was named to the All-CIF Third Team. Bartolome was named Most Valuable Player in the league, co-captain of and top rebounder for the Dons as well as being honored on the All-CIF First Team. Lambert was the Most Improved Player, while Mendoza was selected to the league's second team.

The 1965-'66 Don cagers proved themselves capable of holding the title of champions as their three defeats out of twenty-four games were by a margin of two points each.

Dave Kreutzkamp leans in as he scores on a lay-up during the Crescenta Valley CIF game. The Falcons won in the last seconds 53-51. The loss left the Dons with an outstanding 21-3 record.

Working his way to two points is All-CIF team choice, Victor Bartolome during the San Marcos clash. Bartolome was famed throughout the league for his close soft-shots.

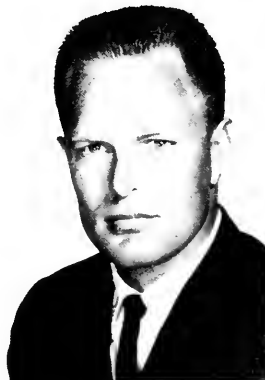

Members of the 1965-66 Varsity Basketball squad are Jim Hicks, Robert Jesinger, Steve Michaels, David Thompson, Steve Mendoza, Terry Hillebrand, Victor Bartolome, Gary Arbelbide, Dave Krutzkamp, Tom Piskulic, Clifford Lambert, Danny Nava, Joby Nunez. (KNEELING) Coach Trigueiro and Manager Dickie Thomas.

(ABOVE) Outstretched hands of a Ventura player can't halt All-CIF 3rd team choice Gary Arbelbide, as the 6'6" forward scores two points on a lay-up. SBHS's only league loss was to Ventura 70-72 in overtime.

(LEFT) Intense determination and ariness is reflected by Dave Thompson as he dribbles around a Camarillo guard. The Dons beat the Scorpions 85-41 and 81-63 in league play and 98-66 in the Oxnard Christmas Tournament.

Jumping high to "tip it to the El Dons" is forward Gary Arbelbide. Arbelbide managed to tip it to Victor Bartolome shown in the foreground.

Dribbling around an opposing player in an effort to get the ball down court is guard Clifford Lambert. The junior starter was a top ball-hawker and a consistent standout on defense and was chosen as the Most Improved varsity player.

Steve Mendoza, senior guard, waits as his teammates get positioned before he starts a designated play during the Monrovia CIF elimination game. The Dons halted a Wildcat drive, by this method, and went on to win 56-44.

Don Nine Has High Hopes for League Play

Chuck Sylvester
Varsity Baseball Coach

The Don Diamonddeers, coached by Mr. Chuck Sylvester, have reached the halfway mark in their season of competition, as of April 1, and have won four and lost six games. The varsity is leaded with potential and should be strong in Channel League play. Pitchers for the Horsehiders are juniors Rick Sizer, Robert Rezzonico and senior Larry Baugh. Other top players and their positions are Gary Crawford, catcher, and captain; John O'Malley, first base; Manuel Hernandez, second base; Mike Mireles, third base; Joby Nunez, shortstop; Dave Thompson, left field; Bill Bliss and Ezra Gavin, right field; and Jerry Buzzard, centerfield. Dave Thompson has hit the only homerun, as of April 1, and John O'Malley and Joby Nunez have been named the most valuable players.

Soph Ninemen Stymied Early, Strive to Improve on Record

Though the soph baseball team began the season in a somewhat disappointing manner, losing many close games in late innings, Coach Jack Trigueiro remained optimistic about how the team would fare in the second half of league play. The horsehiders showed exceptional skill in defeating Righetti 1-0 and in tying Lompoc 5-5. The starting line-up for most of the early season games was Dave Lipke or Todd Pierce, catcher; Dave Niremburg, first base; David Ward or Wayne Bretches, second base; George Nicholas, third base; Dave Herrick, shortstop; and Mark Mendillo, Alex Pawlowski and Charles Richmond or Jerry Fox, outfield. The principal pitchers were David Ambrig, Tom Hord and Mike Scott.

Ventura Relays, Fight for Records, League Crown

The Don's track teams led by Coach Bill Crow were again a credit to athletic teams at SBHS as they continued in their traditional winning ways. The coaches were apprehensive about the defending league champion's strength after having been sufficiently weakened by graduation, but their doubts were relieved in the first meet as they trounced San Marcos in all three classes.

By far their best team effort of the young season was turned in at the Buena-Ventura Relays as the tracksters won the combined A, B and C classification meet for the second year. The Dons also were impressive in many events at the Easter Relays and placed among the top schools of Southern California in all three classes.

In dual and triangular competition the Don cindermen proved that they will again be a top contender for the league crown. The varsity B and C teams remain undefeated in all of their meets as of April 15.

Some of the outstanding performers were: Most Valuable Trackman Greg Jackson, 100, 220, and relay; Jerry McGinnis, who set a new record of 9:51.2 in the two mile; Clint Kennedy, mile; Larry McGinnis, 880; Jim Fundingsland and Paul Fisher, 440; and Peter Page, whose toss of 56' 8 1/4" broke the existing shotput record set in 1958. Top B and C tracksters included Tony Jackson, Tony Cota, Carl Poindexter and Rudy Hernandez.

Netmen's Rapid Improvement Gives Hope for League Lead

The SBHS Boys' Tennis Team lost many of its top players last year, but this year's squad is improving so rapidly that it still could be a threat for the league title. Under the coaching of Mr. Roy Hahner, the netters, as of April 1, had won one, lost two and tied one. Showing a great improvement over his playing from last year was this season's Most Valuable Player, Peter Shennum. Other top players are Dave Riemenschneider, David Wright and John Brion.

SBHS Turfmen Tee Off in Pursuit of League Title

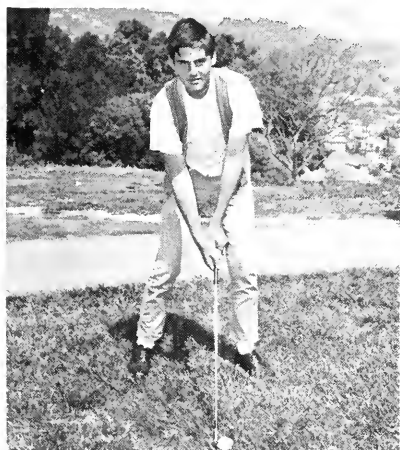

Mr. Garrett Arbelbide
Golf Coach

The 1966 Don turfmen, coached by Mr. Garrett Arbelbide, strove for a first or second place finish in Channel League. Led by senior Dave Lowgren, Most Valuable Player, and sophomore Jim Hopper, SBHS challenged many top-notch teams. The team played their best match, as of April 1, against San Marcos. Good playing brought the Done within strokes of upsetting San Marcos for the first time in a number of matches. The golfers defeated Simi 12-3 in a nine-hole match with Allistair Winn shooting a low 39 to help with the win. Outgoing seniors Dave Lowgren, Lee Shirvanian and Richard Andrews will leave a nucleus for next year's team consisting of Jim Hopper, Pat Angel and Al Winn.

Splashing in the pool sixth period during the first semester of school was the girls' swim team. According to Coach Pat Balosky, the swim team had a very successful year. In three swim meets the girls placed third in a field of 10 at the Tri-County Play-day; they defeated San Marcos; and they came in second out of five at the Santa Barbara Invitational.

Lonnie Silver was named the Most Outstanding swimmer. She either placed or won her events as a freestyle swimmer. She was also captain of the Girls' Swim Team. Margaret Caldwell won the tribute of most improved because of her bettered times and forms. She also either placed or won in the backstroke or breaststroke events.

Top prospects for next year's team are Janet Love, Laurie Kutzner and Karen Warnekros. Two swimmers—Lonnie Silver and Margaret Caldwell—swam 50 pool-miles to obtain Red Cross cards.

Girls' Tennis Team Smashes Way Through Solid Season

"This year's team had more depth than years past; it was very successful," said Mrs. Louise Erikson, coach of the girls' tennis team, which had a 4-0 season's record. Senior Sandra Cowen was named Outstanding Tennis Player. She won the Pasadena Tournament and was a semi-finalist in the Hal Gorham Tournament. According to Mrs. Erikson, other outstanding players were Kathy Koury and Helena Tanner. Girls obtained positions on the team by tryout or recommendation.

A strong unreturnable serve and steady playing advanced Sandra Cowen to the number one position on the girls' tennis team. She was also named Most Valuable Player.

Reporting another doubles win to Coach Mrs. Louise Erikson are Helena Tanner and Kathy Koury. The girls were rated second and third best players, respectively, on the team.

Cool, Misty Atmosphere Lends Enchantment To Homecoming Dance

The music at the Pigskin Prom was provided by the Collegiates.

"Three coins in the fountain; each one seeking happiness..."

Cool and misty, the night of November 20, 1965 crept quietly upon the town of Santa Barbara as an ordinary night, but to many at Santa Barbara High, it will long be remembered as a night of enchantment, for that was the night of the 1965 Pigskin Prom. Victory Hall echoed with the sounds of "Three Coins in a Fountain" while couples danced among classic Greek columns and pink and white floral arrangements. The music of the Collegiates was complemented by the splashing of a fire-spitting fountain.

Making the evening a more enchanting one was the candlelit pathway formed by 20 senior girls designated "Ribbon Bearers," among whom the Homecoming Queen and her court walked, approaching the throne.

Through the dedicated and diligent work of the Social Committee, the Pigskin Prom was one of the best attended and most enjoyable dances of the year.

Dances Sparkle At SBHS

Gyrate - toss - giggle - lurch - bounce - vibrate - fatigue—none of these are foreign to the feverish atmosphere of an SBHS dance. Fall 1965 featured the Get-Acquainted Dance and After-Game Dance,

sponsored by the A.S.B. Social Committee and Pep Club. Capacity crowds jammed the Boys' Gym and Victory Hall as the walls pulsed from the beat of the fantastic Steppin' Stomes.

GAA Brews Halloween Dance in Victory Hall

Victory Hall once again echoed with the frenzied sounds of the Duquanes on October 30 from 9-12 p.m. when the G.A.A. sponsored their annual dance for the student body. The dance was a no-date affair and 50 cents admission was charged. Through the concentrated efforts of the G.A.A., Halloween-a-Go-Go proved to be an outstanding dance.

Dance Makes For Individualism To Identical Musical Beat

To the thick, pounding beat of a Rock and Roll band, one hundred different bodies enact one hundred different variations of the same dance. Each individual keeps his own time, each separate, yet a part of the group, each experiences his own world yet participates in that of others. Today's non-contact dance is an expression of individualism and tolerance.

Cindy Arbelbide Earns

Most-Spirited Award

To Cindy Arbelbide there is no such thing as the common term, spirit. Her whole day is one continuous, spontaneous impulse of energy and vitality. The enthusiastic junior was inevitably found discussing some "Forge" business or worrying and doing something substantial about an "Olive and Gold" deadline. Besides the two time-consuming activities she spent what free time she had participating in Pep Club, GAA Basketball, Mixed Chrous or Donnettes.

Although Cindy moved to Santa Barbara just two weeks before school started, she became very interested in the school and wanted to get involved in everything she could. Even though she entered SBHS for the first time in her junior year, she adopted that "Don's spirit and enthusiasm" and became part of many activities at SBHS.

The honor of Most Spirited Junior is awarded on not only the outward show of enthusiasm at all sports events throughout the year, but also on the participation in other activities on the Santa Barbara High School extra curricular scene. This participation stems from an inner feeling that makes one proud to be a Don and part of SBHS.

Partly because of all her efforts in acquiring our new mascot, Cindy's greatest thrill was "seeing the Don's cheering section stand and cheer when the 'Jolly O&G Giant' was brought out at the San Marcos games." As her junior year ends, Cindy plans to prepare herself for her senior year at SBHS and especially to take care of the VICTORY banner with which she was entrusted when she was selected the Most-Spirited Junior.

One of Cindy's first interests at SBHS was to be a Donnette.

Being the first girl sports editor, Cindy broke an "O&G" tradition. Janet Crow assisted her boss.

Directed concentration marks Cindy's visage.

The play presented January 14, 15, 21, and 22 is the story of the Curry family: a father, two sons and a daughter; and the effect that a traveling rainmaker has on their lives. Mr. Nakano and the stage crew did an excellent job in creating authentic-looking sets. Climaxing the show was the falling of rain at the curtain call.

Annually, at the end of the year, the SBHS creative writing magazine, the "Scroll", appears. In this publication are the best available prose and poetry produced in the school. The creative writing class sorts through hundreds of submitted manuscripts, usually poems, and from this avalanche of material they select, under the guidance of Miss Joyce Felle, creative writing teacher, the best of that submitted for inclusion in the "Scroll."

'O & G' Staff Flips

"Agh . . . Mr. Stice, would you mind getting **OFF** my **TOES!**"

Just another masterpiece from O&G photographers Jim Rhodes and Rick Sanders, respectively. (You can't help losing your head during a deadline!)

It is four o'clock in the afternoon. Students have, for the most part, dispersed either to their homes or jobs. The teacher's parking lots begin to empty. The school is abandoned except for the janitors—and the O&G Staff. A steady hum emanates from Room 62, from which a few phrases can be distinguished: "Do it over?? Look, ol' buddy, I spent . . ." "I know tomorrow's a holiday, but we've got a deadline, so . . ." "A slavedriver! That's what she is!" And so on into the night . . . and maybe even the morning.

Now you may well be mildly amused over the exaggeration in the above paragraph. And you may write off the bleary eyes and gaunt, desperate expressions on the faces of O&G Staff members as a sleepless night spent over his chem books. And he still blew the test down the tubes! Ah—but now we touch the quick of the matter—why did yon fellow blow his test so thoroughly? The Curse of the Deadline. That's why. A deadline is (for any unenlightened amongst you) a very peculiar and effective torture invented by editors and advisers (in this instance, Patti Biddulph and Mr. Stice, respectively) for the harassment of the staff. A deadline for O&G members is a certain number of pages due on a certain date. A highly imaginative fantasy story was once written in which a yearbook staff member actually met a deadline—escapist literature or maybe a story for identification purposes only.

The '66 O&G developed from hard work, intense concentration, lively imagination and steadfast determination on the part of the staff. We feel that our efforts have been well justified and that this yearbook is the best we are capable of producing. We are duly proud of it and the way in which it represents SBHS; we hope you feel many of the same emotions as you read it.

George Proffitt works intensively to complete his O&G deadline.

Forge Seeks to Inform Student Body

Everybody enjoys a comical and witty newspaper editor—isn't that so, Addie?

That rush during sixth period on Friday afternoon to room 28 doesn't mean someone is giving out money, but a four-page edition of the "Forge", SBHS's weekly newspaper. The "Forge" staff is composed primarily of advanced journalism students who have an interest in sound writing and school life and have had a semester of newswriting. The "Forge" is ordinarily printed each week at the City College print shop.

The '65-'66 "edition" of the "Forge" staff, in its fifty-second year, under the editing of Max Greene and advising of Mrs. Dorothy Brubeck, informed, persuaded and entertained the students about their school community.

One of the many activities of the staff was a write-off contest held in Santa Maria. The staff took second place, having to relinquish the perpetual trophy, which SBHS had for two years, to Righetti. Six members of the staff qualified for the Southern California write-off which was held in May. They were Dave Vreeland, Vickie Garcia, Dave Wright, Irene Semer, Madelyn Silver and Addie Schroader. Among other accomplishments of the staff include three extra unscheduled newspapers and a double San Marcos football game edition. Some of their activities were a trip to the Goleta "Gazette-Citizen" and listening to Mr. Charles Ireland, a guest from the Santa Barbara "New-Press" and hearty Don interpreter, who talked to them about sportswriting.

Without the "Forge" and its estimable staff, life at Santa Barbara High would hardly be complete.

A resolute Cindy Arbelbide and an attentive Irene Semer are testimony to the time and effort that go into the making of a top-notch Forge.

Singing Cuts Daily Tensions

Much of the talent of Santa Barbara High is reflected in its six singing groups, many of which were given top honors. The A Cappella brought enjoyment to many through their participation in the school Christmas show, the YMCA program, the "O&G Jubilee," "Camelot" and programs for city organizations. The Madrigal Singers, which were chosen from other Southern California groups as an honor choir, performed their own Christmas Concert at SBHS, held concerts for the junior highs and for civic groups. The Folk Singers specialized in varied songs of different lands, as was shown by their performances in the "O&G Jubilee" and several other programs. The school's Male Octet also performed in the "O&G Jubilee," for an ASL conference and for civic groups. The Girls' Ensemble and the Mixed Chorus, expressing joy through song, sang for civic groups.

Orchestra Shows Many

From the "Nutcracker Suite" and traditional Christmas carols to the Graduation March, the Orchestra displayed their many flexible talents in the varied music they played throughout the year. During this year the Orchestra performed in various concerts and programs bringing enjoyment to Santa Barbara High School students and citizens in the community. Among performances were the "O&G Jubilee" Christmas Assembly and Christmas concert. They also performed in the Spring musical "Camelot," combining talents with the other members of the cast to make the show a singular success.

Spirit to Even Greater Heights Than '64

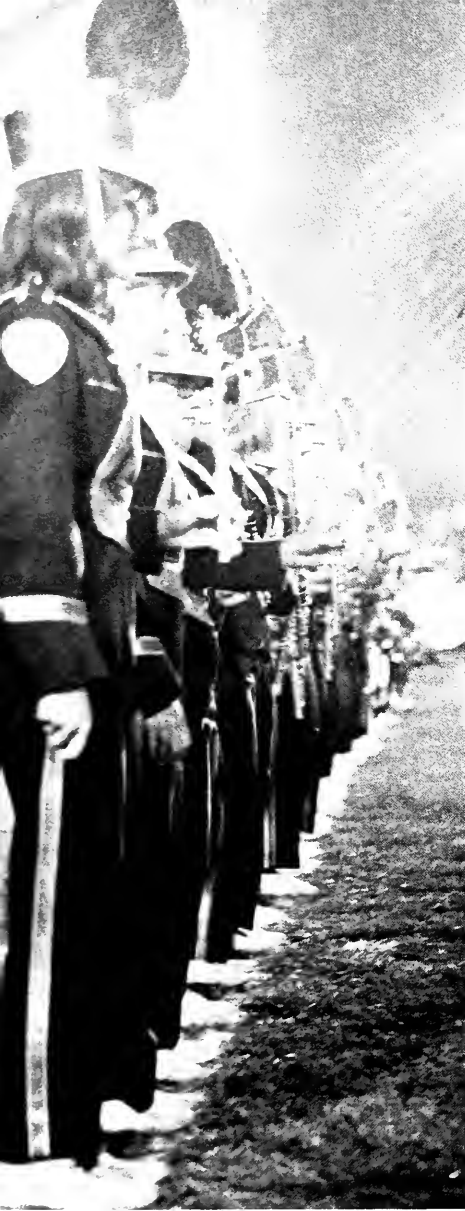

The year 1965-66 featured a 72-member band and a 47-girl Donnettes Drill Team, which aroused the football audiences' lively spirits to remarkable heights during seven halftime shows. The groups' high-precision marching and unique routines delighted Don rooters on many on occasion. During the game the rocking rhythm of the drums stimulated great enthusiasm for the Dons.

Displaying their flexible talents, the Band and Donnettes also participated in the UCSB Homecoming Pa-

rade, the Christmas Parade, the Milpas Parade and the Spring Parade with the same precision that had earned them the stamp of excellence during halftime shows.

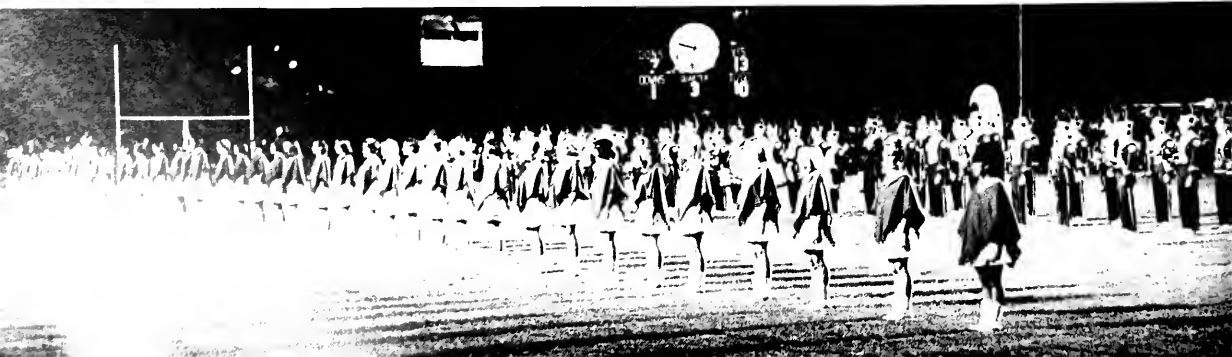

The band also made solo appearances at the United Nations Day Program and at the Music Educators Festival, where they were judged on their musical quality. At graduation the Band will perform with a final flourish to add apparently a greater, busier and more successful year than ever before.

Prize-Winning Cheering Section Earns Recognition

Unaware that the actions of their daily lives were determining the history of a school, the students of Santa Barbara High placed SBHS in the limelight of the Channel League. For the first time in the history of SBHS, the Dons were awarded the Channel League Sportsmanship Trophy for their football cheering section. The students of SBHS then went on to show the Channel League that "the Dons are the greatest from coast to coast" by winning this award for their basketball cheering section as well. Yell leader Craig Osborne stated that the SBHS cheering section was "not just individuals, but a unit cheering for one cause." Winning the Channel League Basketball Championship is one accomplishment and winning the Channel League Sportsmanship Trophy is another, but when we can win both, we are truly "proud Big Dons".

The Dons were "not just individuals, but a unit cheering for one cause".

'O & G Jubilee' Strikes Viewers' Fancy

Pink tights, bowler hats and a folksinger's guitar — splashes of color from the 1965-'66 "O & G Jubilee." A large audience responded warmly to the show, which was the second to be presented by the Performing Arts Department of Santa Barbara High. Because of the notable increase in student tryouts and the higher quality of their acts, the production was especially successful in fulfilling its dual purpose which was to develop student talent and to produce an entertaining show in the community interest.

With the assistance of Mr. Hatcher, Mr. Nakano, Mrs. Lane, and Mr. Coffman, students worked individually and in groups to present their acts. The orchestra, under the direction of Mr. Coffman, provided a majority of the musical background for the show. Mr. Hatcher led the A Cappella, dressed in old English tradition, in their two vocal selections from "Oliver." Varied styles of folk singing were contributed by individual students. The "Town Criers" under Mr. Hatcher's assistance also entertained in folk style. "Steam Heat," a fast moving dance, was an eye-catching number presented by SBHS members of this summer's Youth Theater Production, "Pajama Game." "Celestial Bodies" and "Nonsense Number One and Two" were presented by members of Mrs. Lane's Advanced Dance class. Other students added humor, music, and dramatic originality, that helped to make the "O & G Jubilee" move.

The moods of Mr. Hatcher were expressed through his direction.

Christmas Show Casts Own Spell

Traditional Christmas carols from all arts of the world, modern dances, and music from the "Nutcracker Suite" composed the annual Christmas show. Included in the production were the A Cappella, mixed chorus, modern dance classes, and orchestra.

The bright costumes of the dancers added color to the Christmas show.

Camille de la Vega, a dancer in the annual Xmas program displayed an unusual headpiece made by Mr. Baker's fifth period art class.

'Don't' Let It Be Forgot . . . That Once There Was A Spot . . . For One Brief Shining Moment . . . That Was Known as Camelot'

"Don't let it be forgot . . . That once there was a spot . . . For one brief shining moment that was known as Camelot." With these words, **Camelot**, SBHS's most successful theatrical enterprise in several years, came to a close. Viewers raved and the house was packed night after night, but this was not the entire story. Long hours of rehearsal, the continual striving of the teacher-directors, the essential excellence of the lead actors and the A Cappella and orchestra—all these factors—were primary to the success of **Camelot**. Mr. William Hatcher, in charge of general directing, Mr. Jack Nakano, in charge of stage; Mrs. June Lane, instructing in dance; and Mr. Albert Coffman, handling the orchestra, all played vital roles in preparation for the production. However, **Camelot** would not have reached the heights it did without the superb performances of Sam Tsoutsouvas as King Arthur, Kathy Dougher as Guenevere, Mike Sugich as Lancelot, Bob Lagenbucher as Pellinore and Bob Rockwell as Mordred.

Key Club Helps School and Community

Service to SBHS is the main objective of Key Club, sponsored by the Santa Barbara Downtown Kiwanis Club. Meeting every other Monday night, the Key Club decided its business and was audience to many noted guest speakers.

The activities this year have included selling programs at football games, participating with Associated Student Leaders in a Community Auto Safety

Check and car wash, and scrubbing down the walls of the main hall. Also, the Key Club spent several weekends refinishing the benches in the Boys' gym, as well as helping in all possible ways at the Easter Relay track tournament.

This year's officers were Arvin Engelson, president; Robert Butler, vice-president; Craig Horner, secretary; and Gary Richmond, treasurer.

Many Key Clubbers, like Arvin Engelson sold football programs.

Usherette Carol Bevier hands programs out during production of "Rainmaker."

The Usherettes, with Sherry Rodgers, president, and Mr. Donald Stillman and Mrs. Charlet Beland, sponsors, completed another year of service to the school and the community. New uniforms in school colors were first previewed at the sophomore orientation and were displayed at Don football games. Besides ushering at all school functions, they also served refreshments and passed out programs at home basketball games, washed cars at the inter-school Associated Student Leaders safety check, gave a Christmas party for a rest home, collected for the Council of Christmas Cheer and gave an Easter party for St. Vincent's which climaxed community service projects. Other officers were Kathy Swift, vice-president; Jean Davidson, treasurer; and Addie Schroader, secretary.

ASF-ers Seek Knowledge of Foreign Peoples, Lands

Astrid Olson

Andy Burgstaller

"Around the world" experiences are offered through the American Field Service's exchange student programs. Promoting peace and understanding among nations through "student ambassadors" is the main purpose of AFS. This year SBHS was privileged to host Astrid Olson from Norway and Andy Burgstaller from Switzerland.

In addition AFSers helped decorate for the Veterans' Day Parade. They also presented the film "Oklahoma" and "Raisin in the Sun" for the Adult AFS Chapter to raise money to sponsor an exchange student for next year.

First semester officers were Andrea Slavin, president; Addie Schroader, vice-president; Sarah Williams, secretary; Cindy Kerr, treasurer; and Carol Bevier, historian. Second semester officers were Addie Schroader, president; Cindy Kerr, vice-president; Andy Burgstaller, secretary; Ernie Perez, treasurer; Sandy Harrod, historian. Advisers are Mr. Robert Wood and Mr. Carlton Farley.

JSA Makes Democracy Work

Spring Vice-President Rip Georges demonstrates debating ability.

By hosting two regional conventions, the Junior Statesmen of America developed a knowledge of legislative debate form. Besides the regionals the JSA-ers attended Fall State in Sacramento, and Spring State at Riverside. Also, they earned the Chapter of the Day award at the second Channel Island Regional convention.

Junior Statesmen, under the guidance of Mr. George Everett, gave service to the community by participating in the Heart Fund Drive. Also, they gave a successful Christmas party for the dependents in Los Prietos Youth Authority Camp. On February 19, JSA members sponsored the performance of the musical groups, the Byrds along with the Dillards, in the SBHS auditorium.

Fall officers were Madelyn Silver, president; Pete Fisher, vice-president; Julia Reed, secretary; and Nora Erichson, treasurer. Composing the spring officers were Robert Jesinger, president; Rip Georges, vice-president; Helena Tanner, secretary; and Cynthia Lambert, treasurer.

At the conclusion of this year the GAA could be assured that they had had an interesting and busy year. One of their main projects was the Halloween a-Go-Go dance which was sold out. At the beginning of the year, GAA held their annual initiation, in which 36 new girls entered. They also sold Don rooster buttons and sweat shirts in the early part of the year, and they also sold cokes at the track meets. Some of their other accomplishments were giving two trophy cases to the school, one for each gym, and sponsoring a scholarship fund in Venezuela, South America, for any students interested in majoring in physical education at college. Members of the GAA also donated time as guides for new students at SBHS, and for the Southern California Drill Team Show at SBHS. They also went on a trip to Disneyland. At the end of the year they had a barbecue and also had their annual banquet.

Rembrandts or Picassos?

Maybe you don't see any Rembrandts or Picassos, but this year's Art Club has been quite active in serving the school this year. In addition to decorating the hall windows at special times of the year, the Art Club spent many hours decorating Victory Hall for the Madrigal Singers' Christmas Concert. According to the president, Bill Wurtz, an exhibition of student work coupled with a P.T.A. meeting was scheduled for the Spring as well as a possible field trip. Other officers are Gary Richmond, treasurer; and Jean Richards, secretary. Miss Straight is the adviser.

Thespians Sponsor Drama Festival, Work Backstage

In the area of the theater, the Thespians were naturally very busy in the year 1965-66. In October they engineered an excursion to see Judith Anderson in Euripides' "Medea." They also had two other Theatre Safaris, one where they viewed the pantomimist, Marcel Marceau. One of the highlights of the year was when the SBHS Thespians sponsored the Southern California Regional Thespians Play Festival, with

actress Judith Anderson as one of the judges. In the Festival, Santa Barbara High's excerpt from "The Lark" by Jean Anouilh took second place.

Officers in the club were Paul Bryan, president; Bob Langden, vice-president; Nancy Mast, secretary; Ann Collins, treasurer; and Pat Pownall, historian.

Science Club Listens to Lectures, Looks at Stars

Sponsored by Mr. Wendell Hyde, the Science Club was one of the most active clubs at SBHS. The purpose of this organization was to promote an active interest in science and also to develop an understanding of the importance of science in the everyday life of the individual by stimulating communication between interested students. To this end the Science Club planned many activities, among which were guest speakers and a traditional star

party, held in February. Another annual event, taking place in the spring, was a field trip-picnic. Generally this trip was specifically geological or biological.

Officers of the Science Club were Hilary Findley, president; Lonnie Silver, vice-president; Marcia Broaddus, secretary; and Kathleen Harris and Karen Warenkross, treasurers.

Trim the School Halls at Christmastime

Under the guidance of Mrs. Beatrice Rosales, the Modern Miss Club undertook many projects this year. Besides setting an example of proper school attire, they presented many activities.

In the Fall the Modern Misses put on a successful bake sale. Shortly afterward they had an experienced cosmetic expert as a speaker.

During Christmas they decorated the halls, while also trying to raise money for the Council of Christmas Cheer.

Traditionally, they chose a Modern Miss each month to set an example of good grooming.

There were several fashion shows; the first one was the first assembly put on by the Modern Miss club this year.

Pep Club Galvanizes Booster Spirit to

This year Pep Club became a club at SBHS that actually contributed to the school instead of being a club in name only. Under the direction of P&R chairman, Sue Brandt, and advisor, Mr. Jan Ratliff, Pep Club revived some old traditions and started some new ones. A card section that some people said "was done in 1950 but could never be done again" became a reality in 1965 at all football games.

Through Pep Club, the P&R chairman, and cheerleaders were able to encourage the idea of sportsmanship. This was also a successful effort because the Dons' cheering section won the Channel League Sportsmanship Trophy for the first time in school history.

To arouse enthusiasm in all three classes for minor events of the year, a Most Spirited Class Award was

initiated to be presented to the class that had the most representatives at all school activities. From the money collected by the treasurer, Dave Lopez, from dues and past revenues, Pep Club was able to contribute something to SBHS. An "El Don" outfit was bought and donated to the school for future mascots; this year the mascot was Roger Lopez. The "Jolly O&G Giant" became a new mascot for the Don's bas-

ketball team. Another such as the Victory Banner sponsored in 1964, a new banner stating "S.B.H.S. Dons" was donated to the Band to identify our school band and our cheering section. The Pep Club also sponsored a sign with the Dons' team motto: "A team that won't be beat, can't be beat." To encourage future Dons' teams to even greater glory and achievement, this sign was given to the Athletic Department.

Officers for 1965-66 were: Marilyn Schwartz, secretary; Janis Burner, treasurer; Mr. John G. Kennedy, Adviser; Susan Bauernschmidt, vice-president; Jane Menella, president; and Kathy Belkowski, historian.

Top-Notch Teachers Learn Educational Processes At Sundry Elementary Schools

The Top-Notch Teachers is an organization of students who intend to enter the field of education later in life. With this goal in mind, members of the club had several guest speakers and attended various conventions and gatherings with the idea of becoming acquainted with methods and procedures of teaching. One of the most important events was individual students went to various elementary schools in the city and spent part of a day in the actual process of teaching.

Exchange Students Tell Impressions in Farewell

Wilfried Werthner

"I am an exchange student (church group) from Austria. Although I come from a small farming community, Oberschutzen, my home town is famous for its schools. When I return to my home, I will still have two more years of high school to go.

"When I first came to America, I was impressed by the big freeways and cars. On arrival at Santa Barbara, I especially noticed the friendliness of the people. I will always remember the nice people I met at SBHS and in my personal life."

Andy Burgstaller

"I am from a small town (Solothurn) which is situated in the Northern, German-speaking part of Switzerland. I arrived in the United States September 5th and am truly enthusiastic about this country and its people.

"One thing I will never forget is SBHS. My friends among the students, in the legislature, in the clubs and on the tennis team made me feel at home here.

"My hobbies are tennis, skiing, swimming, mountain climbing, classical and modern music, politics and club activities. I also like to read, to go to the movies or to dances."

"It is sad to have to leave Santa Barbara. After having become accustomed to the school and life with you, who have been so open to me, I feel like a Don myself. I was not able to get in Norway all the variety in Santa Barbara: the mountains, countryside, ocean, the wonderful fruits and vegetables and the different people.

"My AFS year here is not comparable to any other year in my life. I will take with me to Norway and share with my people all the new experiences and excitements of Santa Barbara, which I hope to return to. The only ones I can thank for this great year are you Dons!"

What are clothes(?); perhaps a dare.
 Take the little girl look,
 And you'll go all the way
 With Mary Jones and short socks.
 Boots are big in '66!
 Marshmallow leather, alligator and suede.
 Styles are going all out this year!
 Patterned nylons and fish net stockings.
 Sandals are big—all kinds.
 Wrap-up sandals for the gladiator look.
 Boys become Hollywood clad.
 Jackets—striped, herringbone, shoulder pads;
 Leather and army belts, too,
 Big ones with buckles.
 Vests and shawls are seen.
 Shorts are paisley, polka-dotted,
 Competition stripes, too.
 Dresses with flowers, laces, dots and wiggles,
 Also checkerboard op art beyond the pale.
 Bang for color!
 Step out, Miss Wellow.
 Take a bow, Miss Pink.
 A closet full of rainbows,
 Orange and magenta, zip zap.
 Boots will walk across your pages.
 Fashion isn't clothes, but individual ideas!

Dons Turn to Recreation in Spare Time

Students Bent on Enjoyment

The snap of a billowing sail in the wind, the rush of the wave as boy and board move into it, the sharp crack of a rifle, the clonk of the cue ball moving inexorably on its way across the table, the splattering rise, soaked and exhausted from the pool, the clatter and almost shattering whirl of a motorbike, the curious thudding ponk as racquet meets the ball on the tennis court—sights and sounds of SBHS-ers away from school and enjoying themselves.

Juniors -- The Class of '67

Miss Cotton and Mr. Dierenfield not only advise and guide the junior class of 1967 but also handle the planned activities for their senior year at SBHS.

Elected representatives of the Junior Class were (FRONT), Mike Gymnates, pres.; Ernie Perez, vice-pres.; Paula Voorhees, sec.; and Pete Malin, treas. (MIDDLE) J. Richards, S. Williams, C. Kerr, J. Arnoldi, J. Deckenback. (BACK) R. Anderson, D. Ley, G. Ellis, B. Correa.

Displaying as much spirit as any other class, the juniors exhibited unusual enthusiasm in activities all around campus. The Junior Class had many fine athletes to boost Don's fame during the year.

A picnic, which may well become a tradition, was held in the early part of May by the ambitious Class of '67. This event featured dinner, activities and entertainment.

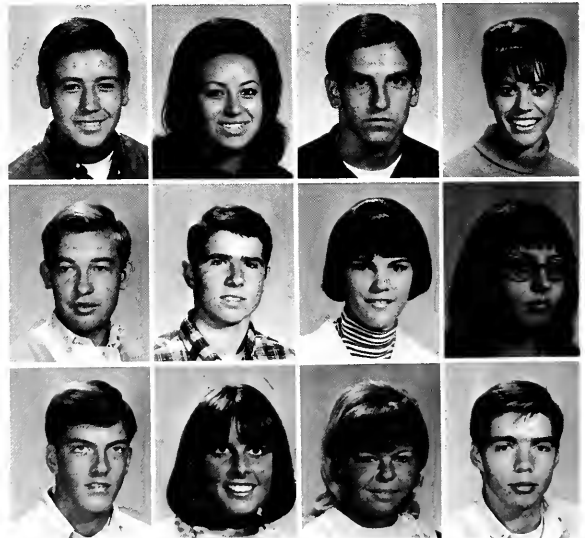

Miss Dorothy Cotton and Mr. Harold Dierenfield led and counseled the class in the direction of their final goal of high school — graduation.

Sophomores Rate High in Enthusiasm

1968

The Soph Class Is Really Great

For the past 50 years, sophomore classes have entered SBHS with great enthusiasm; the class of 1968 is no exception. As a matter of fact, this year's sophomore orientation was the most successful in the history of the school.

The largest class this year cheered its Donlets to victory as champions of the Channel League. Some of the future varsity players were Carl Poindexter, David Nerenberg, Dick Bouslough, David Almanza, Grady Hurst, George Gusman, Kim Westball and Doug Jackson.

Having completed with great success one year of counseling this spirited sophomore class, Miss Wright and Mr. Hager will continue to guide and lead the class of 1968 through two more years at SBHS.

Handling the plans and activities of the Class of '68 are sophomore counselors, Mr. Robert Hager and Miss Barbara Wright.

Underclassmen Meet SBHS!

Underclassmen display Dons' spirit at the St. Augustine pep rally.

All details were checked by Butch Stern at the ASL Safety Check.

Junior testing is a very rare occasion when classes are forgotten.

Sophomore orientation proved that the incoming class of Dons would be a great asset to Santa Barbara High School.

Teachers With Individual Characters

HARDESTY, CLAUD H.

SBHS principal for eight years, Mr. Hardesty formerly was principal of La Cumbre Junior High and Harding Schools. He obtained his degrees from Kansas Wesleyan and USC.

CRAWFORD, PAUL J.

As an Assistant Principal, Mr. Crawford has been in charge of attendance and counseling for nine years at SBHS. He received degrees from Carleton and USC. Among his many hobbies are bowling and fishing.

NORDENSON, JOHN E.

Completing his twenty-sixth year at SBHS, Assistant Principal Mr. Nordenson is in charge of student activities. He received his degrees from USC, though he also studied at UCSB & Princeton.

MOROPoulos, MICHAEL

Now in his eleventh year with SBHS, though his first as an Assistant Principal, Mr. Moropoulos is also director of athletics. He spends his spare time hunting, fishing and skin diving. He obtained degrees from UCSB.

TSOUTSOUVAS, LOUIS S.

Mr. Tsoutsouvas has just completed his fifteenth year with SBHS. His degrees were obtained from Stanford, and in his spare time he enjoys coin collecting and bowling.

ACCETTURO, ANTHONY

Mr. Accetturo, who is now teaching in his first year at SBHS, obtained a degree at San Fernando Valley State College. He taught formerly at Burbank and Semi Valley High Schools. He lists active sports as his hobbies.

ADDICOTT, DAISY

Also a newcomer this year to SBHS, Mrs. Addicott teaches history. She received her BA from Pepperdine and intends to finish work on her MA this year at California State College. Included in her spare-time activities are back-packing and art.

ANDREWS, KENT

In his ninth year at SBHS, Mr. Andrews taught English 5 and 6. He received his degrees from the University of Redlands and from the State University of Iowa. In his spare time, Mr. Andrews enjoys portrait painting.

Longfellow once wrote, "Look not mournfully into the Past. It comes not back again . . ." For this year's graduating class, 1966 has been a unique experience, but now high school has become a memory for the seniors. We cannot physically return to the way of life we have brought to a close, but it will always remain in our fondest memories.

These years have given you, contemporary Santa Barbara High, both a background and a basis for the future. The Olive and Gold Staff hopes that Santa Barbara High will continue to guide many graduates on to the road of success.

In remembering the past year at our alma mater, no student can recall every event that occurred. Therefore, the O&G Staff has taken the responsibility of recording some of the memories comprising the year 1966.

Our staff was composed of varying personalities with various abilities; all giving a part of themselves to this publication. United by a goal, we turned room 62 into a den of diligent labor, creativity and sometimes exasperation. We learned and experienced valuable lessons working on this memory book, and hope that our dedication is shown in each layout, copy-block, caption and picture.

Every member of the staff deserves much appreciation for giving his time and talent in compiling this volume. Special thanks should be given to Patti Biddulph, our Fall editor, for laying part of the foundation for what we hope will be the "best O&G ever." Also, each of the section editors is entitled to special thanks. Without their dedicated, persistent work in perfecting each page, the yearbook would not have been completed. Our photographers also spent many hours taking, developing and printing pictures.

Under the invaluable guidance of Mr. Robert H. Stice, our adviser, we strove to achieve our goal of making the 1966 O&G not just another yearbook, but an excellent one. His patient efforts to make good journalists out of us will always be remembered and appreciated.

We are grateful to the many other people who gave their time to the success of the O&G: Yearbook House, under the representation of Mr. Gurney McCasland; Mr. Tim Putz, who gave us special attention and outstanding photographs; and finally the administration and student body for providing us with such a spectacular year.

This book was built on dedication, energy and patience. Although we have tried, we know we cannot satisfy everyone, but we have endeavored to produce the best possible. The staff hopes that you will always remember the eventful years spent at your alma mater, SBHS, by turning these pages now and in the future. Thank you.

Sincerely,

Judy Lovelace

Spring Editor

Tam—
I got the urge to
write something in your
yearbook. (April 11, 1968) I
guess all I wanted was to
wish you your own "happiness"
in Dadma. Just that I guess.
(Be kind to roommates)

to Anne
Kirby

P.S. I really hope you
don't mind me writing in here.
I feel like I probably shouldn't
have...
Anyway...
Too late.
